Item 1.01 Entry into a Material Definitive Agreement.

On June 6, 2025, Iterum Therapeutics US Limited ("ITUS"), a subsidiary of Iterum Therapeutics plc (the "Company"), entered into a Product Commercialization Agreement (the "Agreement") with EVERSANA Life Science Services, LLC ("Eversana") for the commercialization of the Company's approved product, ORLYNVAHTM. Pursuant to the Agreement, Eversana will provide sales and commercial operations services to ITUS in the United States, as well as the provision of marketing, logistics, channel management, regulatory, medical affairs and other services related to the commercialization of ORLYNVAHTM in the United States (the "Services").

Under the terms of the Agreement, ITUS will have legal, regulatory, and manufacturing responsibilities for ORLYNVAHTM, and will book sales for ORLYNVAHTM. The Agreement provides that Eversana shall ensure it complies with laws with respect to the provision of the Services for which it is responsible. ITUS will pay Eversana fees and reimburse Eversana for its expenses in performing the Services as agreed in applicable statements of work issued pursuant to the Agreement. Subject to the terms and conditions of the Agreement, Eversana will serve as the exclusive provider to ITUS of the Services agreed to between the parties in any statement of work issued pursuant to the Agreement.

The term of the Agreement is from the date of execution until five years from the date of commercial launch of ORLYNVAHTM, subject to the rights of either party to terminate the Agreement as a result of a material breach by the other party, the insolvency of the other party, certain changes in law, the occurrence of certain safety recalls of ORLYNVAHTM, there being no active or uncompleted statements of work in effect pursuant to the Agreement, if there is a decline in net sales of ORLYNVAHTM in the United States over a specified period of time. Following a change of control of ITUS and/or the Company, ITUS, the change of control counterparty or the surviving entity may also terminate the Agreement, subject to the payment of specified fees to Eversana by the change of control counterparty or surviving entity. Eversana shall additionally have the right to terminate the Agreement if ITUS withdraws ORLYNVAHTM from the market in the United States for a specified period of time.

The Agreement includes customary mutual obligations on the parties to protect and not disclose the confidential information and intellectual property of the other, and contains insurance, indemnification and limitation of liability provisions customary for service contracts of this type.

The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement, a copy of which the Company intends to file as an exhibit to its Quarterly Report on Form 10-Q for the quarter ended June 30, 2025.
