Important Notice Regarding the Availability of Proxy Materials
for the Annual General Meeting of Shareholders
to be held on June 13, 2019

This proxy statement, our 2018 annual report to shareholders
and our Irish Statutory Financial Statements for the year ended December 31, 2018 are available at www.envisionreports.com/ITRM
for viewing, downloading and printing.

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2018 as filed with the Securities and Exchange Commission, or SEC, except for exhibits, and our Irish Statutory Financial Statements for the year ended December 31, 2018 will be furnished without charge to any shareholder upon written or oral request to the Company at Block 2 Floor 3 Harcourt Centre, Harcourt Street, Dublin 2, Ireland, Attention: Secretary, Telephone: +353 1 9038354.

Instead of mailing a printed copy of our proxy materials to all of our shareholders, we provide access to these materials via the Internet. This reduces the amount of paper necessary to produce these materials as well as the costs associated with mailing these materials to all shareholders. Accordingly, on or about April 25, 2019 we will mail a Notice of Internet Availability of Proxy Materials, or Notice, to our shareholders (other than those who previously requested electronic or paper delivery of proxy materials), directing shareholders to a website where they can access our proxy materials, including this proxy statement, our 2018 annual report to shareholders and our Irish Statutory Financial Statements for the year ended December 31, 2018, and view instructions on how to vote via the Internet or by telephone. If you would prefer to receive a paper copy of our proxy materials, please follow the instructions included in the Notice.

INFORMATION ABOUT THE ANNUAL GENERAL MEETING AND VOTING

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the "board of directors" or the "board") of Iterum Therapeutics plc (the "Company", "Iterum", "we" or "us") for use at the 2019 Annual General Meeting of Shareholders (the "AGM") to be held on June 13, 2019, beginning at 3:00 p.m., Irish time (10:00 a.m., Eastern Time), at the offices of A&L Goodbody at 25-28 North Wall Quay, Dublin 1, Ireland, and at any adjournment or postponement thereof. On April 15, 2019, the record date for the determination of shareholders entitled to vote at the AGM, there were issued, outstanding and entitled to vote an aggregate of 14,369,218 of our ordinary shares, par value \$0.01 per share ("ordinary shares"). Each ordinary share entitles the record holder thereof to one vote on each of the matters to be voted on at the AGM.

Your vote is important no matter how many shares you own. Please take the time to vote. Take a moment to read the instructions below. Choose the way to vote that is easiest and most convenient for you and cast your vote as soon as possible.

If you are the "record holder" of your shares, meaning that you own your shares in your own name and not through a bank, broker or other nominee, you may vote in one of four ways:

- (1) *You may vote over the Internet.* You may vote your shares by following the "Online" instructions on the enclosed proxy card. If you vote over the Internet, you do not need to vote by telephone or complete and mail your proxy card. The internet voting facilities for eligible shareholders of record will close at 6:00 a.m., Irish time (1:00 a.m., Eastern Time), the day of the AGM.
- (2) *You may vote by telephone.* You may vote your shares by following the "Phone" instructions on the enclosed proxy card. If you vote by telephone, you do not need to vote over the Internet or complete and mail your proxy card. If you vote by telephone, your use of that telephone system, and specifically the entry of your pin number/other unique identifier, will be deemed to constitute your appointment, in writing and under hand, and for all purposes of the Irish Companies Act 2014, of each of Corey N. Fishman, Judith M. Matthews and David G. Kelly as your proxy to vote your shares on your behalf in accordance with your telephone instructions. The telephone voting facilities for eligible shareholders of record will close at 6:00 a.m., Irish time (1:00 a.m., Eastern Time), the day of the AGM.
- (3) *You may vote by mail.* If you received (or requested and received) a printed copy of the proxy materials, you vote by completing, dating and signing the proxy card provided to you and promptly mailing it in the provided postage-paid envelope. If you vote by mail, you do not need to vote over the Internet or by telephone. We must receive the completed proxy card by 5:00 p.m., Irish time (12:00 p.m., Eastern Time), on June 12, 2019.
- (4) *You may vote in person.* If you attend the AGM, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot at the AGM. Ballots will be available at the AGM.

All proxies that are executed and delivered by mail or in person or are otherwise submitted over the Internet or by telephone will be voted on the matters set forth in the accompanying Notice of Annual General Meeting of Shareholders in accordance with the shareholders' instructions. However, if no choice is specified on a proxy as to one or more of the proposals, the proxy will be voted in accordance with the board of directors' recommendations on such proposals as set forth in this proxy statement. All proxies will be forwarded to the Company's registered office electronically.

After you have submitted a proxy, you may still change your vote and revoke your proxy prior to the AGM by doing any one of the following things:

- submitting a new proxy by following the "Online" or "Phone" instructions on the enclosed proxy card at a date later than your previous vote but prior to the voting deadline (which is 6:00 a.m., Irish time (1:00 a.m., Eastern Time), the day of the AGM);
- signing another proxy card and either arranging for delivery of that proxy card by mail to the registered office of the Company prior to the start of the AGM, or by delivering that signed proxy card in person at the AGM;
- giving our Secretary a written notice before or at the AGM that you want to revoke your proxy; or
- voting in person at the AGM.

Your attendance at the AGM alone will not revoke your proxy.

If the shares you own are held in "street name" by a bank, broker or other nominee record holder, which we collectively refer to in this proxy statement as "brokerage firms," your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your brokerage firm provides you. Many brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which, if available, would be provided by your brokerage firm on the voting instruction form that it delivers to you. Because most brokerage firms are member organizations of the New York Stock Exchange, or NYSE, the rules of the NYSE will likely govern how your brokerage firm would be permitted to vote your shares in the absence of instruction from you. Under the current rules of the NYSE, if you do not give instructions to your brokerage firm, it will still be able to vote your shares with respect to certain "discretionary" items but will not be allowed to vote your shares with respect to certain "non-discretionary" items. The ratification of the appointment of KPMG as our independent registered public accounting firm and the authorization of the board of directors, acting through the audit committee, to set the independent registered public accounting firm's remuneration (Proposal 2) is a discretionary item under the NYSE rules and your brokerage firm will be able to vote on that item even if it does not receive instruction from you, so long as it holds your shares in its name. The election of the Class I directors (Proposal 1) is a "non-discretionary" item, meaning that if you do not instruct your brokerage firm on how to vote with respect to Proposal 1, your brokerage firm will not vote with respect to that proposal and your shares will be counted as "broker non-votes". "Broker non-votes" are shares that are held in "street name" by a brokerage firm that indicates in its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter.

If your shares are held in street name, you must bring an account statement from your brokerage firm showing that you are the beneficial owner of the shares as of the record date (April 15, 2019) to be admitted to the AGM. To be able to vote your shares held in street name at the AGM, you will need to obtain a proxy card from the holder of record.

Votes Required

The holders of a majority of our ordinary shares issued and outstanding and entitled to vote at the AGM will constitute a quorum for the transaction of business at the AGM. Ordinary shares represented in person or by proxy (including "broker non-votes" (as described above) and shares which abstain or do not vote with respect to one or more of the matters presented for shareholder approval) will be counted for purposes of determining whether a quorum is present at the AGM. The following votes are required for approval of the proposals being presented at the AGM:

Proposal 1: To elect the Class I directors. The affirmative vote of the holders of ordinary shares representing a majority of the votes cast on the matter and voting affirmatively or negatively is required for the election of a director nominee.

Proposal 2: To ratify, in a non-binding vote, the appointment of KPMG to serve as our independent registered public accounting firm for the fiscal year ended December 31, 2019 and to authorize the board of directors, acting through the audit committee, to set the independent registered public accounting firm's remuneration. The affirmative vote of the holders of ordinary shares representing a majority of the votes cast on the matter and voting affirmatively or negatively is required for the ratification of the appointment of KPMG as our independent registered public accounting firm for the current fiscal year and to authorize the board of directors, acting through the audit committee, to set the independent registered public accounting firm's remuneration.

Shares that abstain from voting as to a particular matter and shares held in “street name” by brokerage firms who indicate on their proxies that they do not have discretionary authority to vote as to a particular matter will not be counted as votes in favor of such matter and will also not be counted as shares voting on such matter. Accordingly, abstentions and “broker non-votes” will have no effect on the voting on the proposals referenced above.

SHARE OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of our ordinary shares as of March 31, 2019 by:

- (a) each person, or group of affiliated persons, known by us to beneficially own more than 5% of our ordinary shares;
- (b) each of our named executive officers;
- (c) each of our directors; and
- (d) all of our executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she, or it possesses sole or shared voting or investment power of that security, including share options that are exercisable within 60 days of March 31, 2019. Our ordinary shares issuable pursuant to share options are deemed outstanding for computing the percentage of the person holding such options and the percentage of any group of which the person is a member but are not deemed outstanding for computing the percentage of any other person. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all ordinary shares shown that they beneficially own, subject to community property laws where applicable. The information does not necessarily indicate beneficial ownership for any other purpose, including for purposes of Section 13(d) and 13(g) of the Securities Act of 1933, as amended. Percentage ownership is based on 14,367,441 ordinary shares outstanding on March 31, 2019. Except as otherwise set forth below, the address of the beneficial owner is c/o Iterum Therapeutics plc, Block 2 Floor 3 Harcourt Centre, Harcourt Street, Dublin 2, Ireland.

Composition of the Board of Directors and Meetings

As outlined above, our articles of association provide that the number of directors shall not be less than two (2) or more than thirteen (13), with the exact number to be determined by the board, currently nine (9). Following the AGM, our board of directors will have one vacancy as Mr. Edick's term will expire at the AGM and our board of directors is not nominating a different nominee to fill the vacancy in this election cycle. The board seat will remain vacant until filled as described below.

Under the Irish Companies Act 2014, and notwithstanding anything contained in our articles of association or in any agreement between us and any director, our shareholders may, by an ordinary resolution, remove a director from office before the expiration of his term, at a meeting held on no less than 28 days' notice and at which the director is entitled to be heard. Our articles of association also provide that the office of a director will be vacated in certain circumstances including if the director resigns his office by notice in writing or is requested to resign in writing by not less than a majority of the other directors. Under our articles of association, our board of directors has the authority to appoint directors to the board either to fill a vacancy or as an additional director. If the board fills a vacancy, the director will hold this position as a director for a term that will coincide with the remaining term of the relevant class of director.

Board Determination of Independence

Applicable rules of The Nasdaq Stock Market, or Nasdaq, require a majority of a listed company's board of directors to be comprised of independent directors within one year of listing. In addition, the Nasdaq rules require that within one year of the date of the completion of an initial public offering, all the members of a listed company's audit, compensation and nominating and corporate governance committees be independent under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Under applicable Nasdaq rules, a director will only qualify as an "independent director" if, in the opinion of the listed company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

In order to be considered independent for purposes of Rule 10A-3 under the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries.

In order to be considered independent for purposes of Rule 10C-1, the board must consider, for each member of a compensation committee of a listed company, all factors specifically relevant to determining whether a director has a relationship to such company which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including, but not limited to: (1) the source of compensation of the director, including any consulting, advisory or other compensatory fee paid by such company to the director; and (2) whether the director is affiliated with the company or any of its subsidiaries or affiliates.

In April 2019, our board of directors undertook a review of the composition of our board of directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that none of Mr. Ahrens, Mr. Chin, Mr. Edick, Dr. Healy, Mr. Heron, Mr. Hunt, Mr. Kelly or Dr. Malik representing eight of our nine current directors, nor Dr. Hopfner, who served on our board of directors until May 2018, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under Rule 5605 (a) (2) of the Nasdaq Marketplace Rules. Mr. Fishman is not an independent director under Rule 5605 (a) (2) because he is our President and Chief Executive Officer. Our board of directors has also determined that Messrs. Kelly, Ahrens and Chin, who comprise our audit committee, Messrs. Hunt, Chin and Edick and Drs. Healy and Malik, who comprise our compensation committee, and Messrs. Edick, Heron, Hunt and Kelly and Dr. Malik, who comprise our nominating and corporate governance committee, satisfy the independence standards for such committees established by the SEC and Nasdaq. In making such determination, our board of directors considered the relationships that each such non-employee director has with our Company, including the transactions described below in "*Certain Relationships and Related Party Transactions*", and all other facts and circumstances that our board of directors deemed relevant in determining his or her independence, including the beneficial ownership of our shares by each non-employee director as described above in "*Share Ownership of Certain Beneficial Owners and Management*".

Meetings of the Board of Directors

Our board holds at least four regular meetings each year. Directors are expected to attend all meetings of the board and any committees on which they serve.

Our articles of association provide that each director and the auditors are entitled to attend and speak at any general meetings of shareholder of the Company. As permitted by Section 175 of the Irish Companies Act 2014 and our then current articles of association, prior to re-registration as a public limited company, we dispensed with the requirement to hold a physical annual general meeting of shareholders in 2018.

Our board of directors met six (6) times during 2018 and acted by written consent two (2) times. During 2018, each of our directors attended at least 75% of the aggregated number of board meetings held during his or her term, and of the meetings held by all committees of the board on which he then served.

Board Leadership Structure

Paul R. Edick, an independent director under applicable Nasdaq rules, currently serves as chairman of our board. Mr. Edick's duties as chairman of the board include determining the frequency and length of board meetings, recommending when special meetings of the board should be held, preparing or approving the agenda for each board meeting, chairing meetings of the board and of our independent directors, meeting with any director who is not adequately performing his or her duties as a member of the board or any committee of the board, facilitating communications between management and board of directors, and assisting with other corporate governance matters. Our board of directors believes that separating the duties of the chairman of the board from the duties of our chief executive officer enhances the board's oversight of, and independence from, management, while also allowing our chief executive officer to focus on our day-to-day business operations instead of board administration.

Mr. Edick's term as director, and consequently as chairman of our board, will expire at the AGM. We intend to appoint another independent chairman of the board in due course. Mr. Brenton Ahrens, a current director on our board who is also an independent director under Nasdaq rules as described above, will fulfil this role in the interim.

Committees of our Board of Directors

Our board of directors has established an audit committee, a compensation committee, and a nominating and corporate governance committee, each of which operates under a charter that has been approved by our board of directors. The charters for each of these committees are available on our website at www.iterumtx.com.

Audit Committee

Our audit committee consists of David G. Kelly (Chairman), Brenton K. Ahrens and Mark Chin. The primary purpose of the audit committee is to discharge the responsibilities of our board of directors with respect to our accounting, financial, and other reporting and internal control practices and to oversee our independent registered accounting firm. Specific responsibilities of our audit committee include:

- recommending a qualified firm to serve as the independent registered public accounting firm to audit our financial statements to the board of directors;
- helping to ensure the independence and performance of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and the independent accountants, our interim and year-end operating results;
- reviewing, upon completion of the audit, the Irish Statutory Financial Statements proposed to be filed with our annual return at the Irish Companies Registration Office;
- developing procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- reviewing related party transactions;
- coordinating the board of directors' oversight of our internal controls over financial reporting, including discussing with management and the independent registered public accounting firm the integrity of our financial reporting processes and internal controls; and
- approving (or, as permitted, pre-approving) all audit and all permissible non-audit services to be performed by the independent registered public accounting firm.

The chairperson of our audit committee is Mr. Kelly. Our board of directors has determined that Mr. Kelly is an "audit committee financial expert" within the meaning of SEC regulations. Our board of directors has also determined that each member of our audit committee has the requisite financial expertise required under the applicable requirements of the Nasdaq Global Market. In arriving at this determination, the board of directors has examined each audit committee member's scope of experience and the nature of their employment in the corporate finance sector.

Our audit committee met eight (8) times in 2018.

Compensation Committee

Our compensation committee consists of Ronald M. Hunt (Chairman), Mark Chin, Paul R. Edick, James I. Healy, M.D., Ph.D., and Shahzad Malik, M.D. The chairperson of our compensation committee is Mr. Hunt. Mr. Edick, whose term as director will expire at the AGM, will also cease to be a member of our compensation committee after the AGM.

The primary purpose of our compensation committee is to discharge the responsibilities of our board of directors to oversee our compensation policies, plans and programs and to review and determine the compensation to be paid to our executive officers, directors and other senior management, as appropriate. Specific responsibilities of our compensation committee include:

- reviewing and approving, or recommending that our board of directors approve, the compensation of our executive officers;
- reviewing and recommending to our board of directors the compensation of our directors;
- reviewing and approving, or recommending that our board of directors approve, the terms of compensatory arrangements with our executive officers;
- administering our share and equity incentive plans and delegating authority to subcommittees;
- selecting independent compensation consultants, legal counsel or other advisors;

- reviewing and approving, or recommending that our board of directors approve, incentive compensation and equity plans, severance agreements, change-of-control protections and any other compensatory arrangements for our executive officers; and
- reviewing and making recommendations to our board of directors regarding incentive compensation and equity plans.

Our compensation committee met three (3) times and acted by written consent once in 2018.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee consists of Paul R. Edick (Chairman), Patrick J. Heron, Ronald M. Hunt, David G. Kelly and Shahzad Malik, M.D. The chairperson of our nominating and corporate governance committee is Mr. Edick. Mr. Edick, whose term as director will expire at the AGM, will also cease to be a member of our nominating and corporate governance committee after the AGM. A new chairman of the nominating and corporate governance committee will be appointed following expiration of Mr. Edick's term.

Specific responsibilities of our nominating and corporate governance committee include:

- reviewing periodically and evaluating director performance on our board of directors and its applicable committees, and recommending to our board of directors and management areas for improvement;
- interviewing, evaluating, nominating and recommending individuals for membership on our board of directors;
- administering the process outlined in our articles of association concerning shareholder nominations for director candidates;
- reviewing developments in corporate governance practices;
- overseeing and reviewing our processes and procedures to provide information to our board of directors and its committees;
- overseeing succession planning for senior executives; and
- reviewing and recommending to our board of directors any amendments to our corporate governance policies.

Our nominating and corporate governance committee did not meet during 2018.

Board Processes

Oversight of Risk

Our board of directors oversees our risk management processes directly and through its committees. Our management is responsible for risk management on a day-to-day basis. The role of our board and its committees is to oversee the risk management activities of management. They fulfill this duty by discussing with management the policies and practices utilized by management in assessing and managing risks and providing input on those policies and practices. In general, our board oversees risk management activities relating to business strategy, acquisitions, capital raising and allocation, organizational structure and certain operations risks; our audit committee oversees risk management activities related to financial controls and legal and compliance risks; our nominating and corporate governance committee oversees risk management activities relating to board composition; and our compensation committee oversees risk management activities relating to our compensation policies and practices and management succession planning. Each committee reports to the full board on a regular basis, including reports with respect to the committee's risk oversight activities as appropriate. In addition, since risk issues often overlap, committees from time to time request that the full board discuss such risks.

Director Nomination Process

Generally, the board will be responsible for nominating directors for election to the board by the Company's shareholders at the annual meeting of shareholders and the persons to be elected by the board to fill any vacancies on the board. The nominating and corporate governance committee is responsible for identifying, reviewing and evaluating and recommending to the board candidates to serve as directors of the Company, in accordance with its charter and consistent with the criteria set by the board in our corporate governance guidelines described below under "*Corporate Governance Guidelines*". In making such recommendations, the nominating and corporate governance committee shall consider candidates proposed by the Company's shareholders and shall review and evaluate information available to it regarding such candidates and shall apply the same criteria and shall follow substantially the same process in considering them, as it does in considering other candidates. Shareholders may nominate individuals as potential director candidates by submitting their names, together with appropriate biographical information and background materials, and information with respect to the shareholder or group of shareholders making the nomination, including the number of ordinary shares owned by such shareholder or group of shareholders, in writing to the nominating and governance committee, c/o Secretary, Iterum Therapeutics plc, Block 2 Floor 3 Harcourt Centre, Harcourt Street, Dublin 2, Ireland. The nominating and corporate governance committee will evaluate shareholder-recommended candidates by following substantially the same process outlined above.

The nominating and corporate governance committee shall also administer the process outlined in our articles of association concerning shareholder nominations for director candidates. Shareholders must follow the formal procedures described in our articles of association and in "*Shareholder Proposals for 2020 Annual General Meeting of Shareholders*" below in connection with any such nomination.

The nominating and corporate governance committee has not adopted a formal diversity policy but will consider issues of diversity among its members in identifying and considering nominees for director as well as age, skill and such other factors as it deems appropriate given the current needs of the board and the Company, to maintain a balance of knowledge, experience and capability.

Corporate Governance Guidelines

Our board of directors has adopted corporate governance guidelines to assist in the exercise of its duties and responsibilities and to serve the best interest of our Company and shareholders. The guidelines provide that:

- the core responsibility of our board is to provide oversight of, and strategic guidance to management;
- the board will be composed of not less than a majority of independent directors, subject to any exceptions permitted by Nasdaq listing standards;
- the independent directors of the board will meet periodically in executive session at least two times per year or such greater number as required by the Nasdaq listing standards;
- board members have complete and open access to our management; and
- the nominating and corporate governance committee will conduct an annual self-evaluation to determine whether the board and its committees are functioning effectively.

Copies of the Corporate Governance Guidelines are publicly available on our website at www.iterumtx.com.

The following discussion provides details of the compensation and other benefits paid by us and our subsidiaries to members of our board of directors and certain executives for services provided for the year ended December 31, 2018.

Executive and Director Compensation Processes

Our executive compensation program is administered by our compensation committee, subject to oversight by our board of directors. Our compensation committee reviews our executive compensation practices on an annual basis and approves, or recommends for approval by the board, the compensation of the Company's executives.

Our compensation committee periodically reviews and makes recommendations to the board of directors with respect to director compensation.

In 2019, at the direction of our compensation committee, our Company retained Frederic W. Cook & Co., Inc. or FW Cook, as an independent compensation consultant to provide comparative data on executive compensation practices in our industry and to provide advice to the compensation committee in relation to our executive compensation program generally, including advice and recommendations on the amounts and forms of executive compensation. FW Cook also provided advice in connection with the establishment of our non-employee director compensation policy described below under "Executive Officer and Director Compensation - Non-Employee Director Compensation Policy", including advice and recommendations on the amounts and forms of director compensation. While FW Cook provides advice to the company and the compensation committee in relation to such compensation practices, the compensation committee ultimately makes its own decisions with regard to our executive and director compensation programs.

The compensation committee reviewed information regarding the independence and potential conflicts of interest of FW Cook, taking into account, among other things (i) the provision of other services to the Company by FW Cook; (ii) the amount of fees received by FW Cook from the Company as a percentage of its total revenue; (iii) FW Cook's policies and procedures to prevent conflicts of interest; (iv) any business or personal relationships that FW Cook has with any member of the compensation committee; (v) any shares held by FW Cook in the Company; and (vi) any business or personal relationship FW Cook or FW Cook employees have with any executive officers of the Company. Based on this review, the compensation committee concluded that the engagement did not raise any conflict of interest.

- (1) The amounts reported do not reflect the amounts actually received by our executive officers. Instead, these amounts reflect the aggregate grant date fair value of each share option granted to our executive officers during 2017 and 2018, as computed in accordance with Financial Accounting Standards Board, or FASB, Accounting Standards Codification, or ASC, 718. Assumptions used in the calculation of these amounts may be found in Note 9 to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018. As required by SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. Our executive officers who have received options will only realize compensation with regard to these options to the extent the trading price of our ordinary shares is greater than the exercise price of such options.

Narrative Disclosure to Executive Officer Summary Compensation Table

Base Salary

In 2018, we paid annualized base salaries of \$494,946 to Mr. Fishman, \$377,606 to Dr. Dunne and \$305,707 to Ms. Matthews. In 2017, we paid annualized base salaries of \$420,000 to Mr. Fishman, \$367,500 to Dr. Dunne and \$236,250 to Ms. Matthews.

In January 2019, our compensation committee approved, consistent with the recommendations of the compensation committee's independent compensation consultant, an increase to the base salaries of Mr. Fishman, Dr. Dunne and Ms. Matthews as follows: \$552,150 for Mr. Fishman, \$405,000 for Dr. Dunne and \$357,000 for Ms. Matthews.

None of the named executive officers are currently party to any employment arrangements that provide for automatic or scheduled increases in base salary.

Non-Equity Incentive Plan Compensation

Our named executive officers participate in a cash bonus program which is tied to the achievement of strategic and corporate goals of the Company, which are approved annually by our compensation committee. Our compensation committee determines the amount of these bonuses, if any, based on its assessment of the named executive officers' performance and that of the Company against goals established annually.

Under their respective employment agreements, the annual target bonus for Mr. Fishman is 55% of his current base salary, the annual target bonus for Dr. Dunne is 40% of his current base salary and the annual target bonus for Ms. Matthews is 35% of her current base salary.

In January each year, our compensation committee reviews the accomplishments of the named executive officers as measured against the previous year's goals, whether each goal had been obtained and the relative weight that should be given to each goal in determining the cash bonus payment for that year. Based on its review, the compensation committee recommended cash bonus payments of \$305,910 to Mr. Fishman, \$166,551 to Dr. Dunne and \$126,175 to Ms. Matthews with respect to 2018. With respect to 2017, the compensation committee recommended cash bonus payments of \$210,000 to Mr. Fishman, \$154,350 to Dr. Dunne and \$59,063 to Ms. Matthews.

Equity Incentive Awards

We believe that our ability to grant equity-based awards is a valuable and necessary compensation tool that aligns the long-term financial interests of our executive officers and our shareholders. In addition, we believe that our ability to grant options and other equity-based awards helps us to attract, retain and motivate our executive officers and encourages them to devote their best efforts to our business and financial success.

We typically grant share options at the start of employment to each executive officer and our other employees and periodically to incentivize performance. We have historically granted stock options with an exercise price that reflects no less than the fair market value per ordinary share on the date of grant.

In 2018, we granted options to purchase an aggregate of 127,307, 79,567 and 23,870 ordinary shares to Mr. Fishman, Dr. Dunne and Ms. Matthews, respectively. In 2017, we granted options to purchase an aggregate of 65,351, 41,587 and 11,882 ordinary shares to Mr. Fishman, Dr. Dunne and Ms. Matthews, respectively.

In January 2019, pursuant to powers delegated to it by the board of directors, our compensation committee approved the grant of stock options under the 2018 Equity Incentive Plan to the named executive officers to purchase the following number of shares : 150,000 to Mr. Fishman, 85,000 to Dr. Dunne and 30,000 to Ms. Matthews. Subject to each named executive officer's continued provision of services to the Company on each vesting date, 25% of the option will vest on February 15, 2020 with the remaining 75% scheduled to vest in equal monthly installments thereafter until February 15, 2023. Each of the option awards has an exercise price of \$5.80 per share, being the closing price on the Nasdaq Global Market on the date of grant. The compensation committee also approved the grant of restricted stock units, or RSUs, under our 2018 Equity Incentive Plan to our named executive officers which are subject to certain performance based vesting conditions.

Employment Agreements with Executive Officers

We have entered into offer letters with each of our named executive officers. The offer letters generally provide for at-will employment and set forth the executive's initial base salary, target variable compensation, eligibility for employee benefits, the terms of initial equity grants and in some cases severance benefits on a qualifying termination. Each of our named executive officers has also executed our standard form proprietary information agreement. Any potential payment and benefits due upon a termination of employment or change of control of us are further described below.

Corey N. Fishman serves as our President and Chief Executive Officer. On November 18, 2015, Mr. Fishman entered into an offer letter with Iterum Therapeutics US Limited, our indirect wholly owned subsidiary. The offer letter has no specific term and constitutes an at-will employment arrangement. In 2017, Mr. Fishman's base salary was \$420,000. On May 2, 2018, Mr. Fishman entered into an amended offer letter, which became effective upon the closing of our initial public offering pursuant to which Mr. Fishman's base salary became \$540,000, and his discretionary annual target performance bonus increased from 50% to 55% of his annual base salary. His base salary was reviewed in January 2019 and increased to \$552,150, effective February 1, 2019.

Michael W. Dunne, M.D. serves as our Chief Scientific Officer. On November 18, 2015, Dr. Dunne entered into an offer letter with Iterum Therapeutics US Limited, our indirect wholly owned subsidiary. The offer letter has no specific term and constitutes an at-will employment arrangement. Dr. Dunne's base salary pursuant to the offer letter was \$350,000 and his discretionary annual target performance bonus is 40% of his annual base salary. In 2017, Dr. Dunne's base salary was \$367,500 and in 2018 was \$378,525. Dr. Dunne's base salary was reviewed in January 2019 and was increased to \$405,000, effective February 1, 2019.

Judith M. Matthews serves as our Chief Financial Officer. On November 18, 2015, Ms. Matthews entered into an offer letter with Iterum Therapeutics US Limited, our indirect wholly owned subsidiary. The offer letter has no specific term and constitutes an at-will employment arrangement. In 2017, Ms. Matthew's base salary was \$236,250. Ms. Matthews entered into an amended offer letter, which became effective upon the closing of our initial public offering pursuant to which Ms. Matthews' base salary became \$350,000, and her discretionary annual target performance bonus increased from 25% to 35% of her annual base salary. Ms. Matthew's base salary was reviewed in January 2019 and increased to \$357,000, effective February 1, 2019.

Potential Payments Upon Termination or Change in Control

Our agreements with each of our named executive officers provide that upon the termination of his or her employment by us other than for cause, or by the named executive officer with good reason (each as defined in the offer letters), he or she will be entitled to receive the following severance benefits:

- cash severance equal to a fixed number of months of such executive's base salary (twelve months in the case of Mr. Fishman and nine months in the case of Dr. Dunne and Ms. Matthews); and
- Company-paid COBRA premiums for up to 12 months following such executive's termination date.

If such a qualifying termination occurs within the period beginning one month prior to and ending 12 months following a change of control of us, the cash severance payment entitlement described above will increase to twelve months of such executive's then current base salary in the case of Dr. Dunne and Ms. Matthews, and to eighteen months of his then current base salary in the case of Mr. Fishman. The executives will also be entitled to an additional cash payment equal to a percentage of such executives' target annual bonus for the year of termination, equal to 100% in the case of Dr. Dunne and Ms. Matthews and 150% in the case of Mr. Fishman. In addition, each of Mr. Fishman, Dr. Dunne and Ms. Matthews' currently outstanding share options will accelerate in full.

Each offer letter also contains a "better after-tax" provision, which provides that if any of the payments to such named executive officer constitutes a parachute payment under Section 280G of the Internal Revenue Code of 1986, as amended, or the Code, the payments will either be (i) reduced or (ii) provided in full to the executive, whichever results in the executive receiving the greater amount after taking into consideration the payment of all taxes, including the excise tax under Section 4999 of the Code, in each case based upon the highest marginal rate for the applicable tax.

Payment of any of the severance benefits described above is also conditioned on the named executive officer's delivery and non-revocation of a general release of claims in our favor.

In addition, pursuant to ordinary share subscription deeds dated as of October 14, 2015, pursuant to which our named executive officers received ordinary shares in the Company in connection with their employment, upon a change in control each of Mr. Fishman, Dr. Dunne and Ms. Matthews are entitled to acceleration of all of the remaining unvested ordinary shares issued thereunder, such that they are no longer subject to a right of repurchase by the Company, provided that such individual remains a service provider as of the time of consummation of the change in control.

(2) Dr. Hopfner stepped down from the board of directors in connection with the consummation of our initial public offering and prior to our non-employee compensation policy coming into effect.

Non-Employee Director Compensation Policy

Under our Non-Employee Director Compensation Policy each non-employee director is eligible to receive compensation for his or her service consisting of annual cash retainers and equity awards. Each director receives an annual base cash retainer of \$35,000 for such service, to be paid quarterly. The non-executive chairperson of our board of directors receives an additional annual base cash retainer of \$27,500 for such service, to be paid quarterly.

The policy also provides that we compensate the members of our board of directors for service on our committees as follows:

- The chairperson of our audit committee receives an annual cash retainer of \$15,000 for such service, paid quarterly, and each of the other members of the audit committee receives an annual cash retainer of \$7,500, paid quarterly.
- The chairperson of our compensation committee receives an annual cash retainer of \$12,000 for such service, paid quarterly, and each of the other members of the compensation committee receives an annual cash retainer of \$6,000, paid quarterly.
- The chairperson of our nominating and corporate governance committee receives an annual cash retainer of \$8,000 for such service, paid quarterly, and each of the other members of the nominating and corporate governance committee receives an annual cash retainer of \$4,000, paid quarterly.

The policy further provides for the grant of annual equity awards as follows:

- Each director will receive annual equity awards with a fixed value of \$80,000.
- The equity awards will be granted as a mix of share options and restricted stock units, at such director's discretion. Each director must determine their mix of equity awards no later than 30 days prior to the applicable grant date.
- All equity awards will vest on the one-year anniversary of the grant date.
- The value of a share option to be granted under this policy will be determined using the same method we use to calculate the grant-date fair value of share options in our financial statements, except that no provision will be made for estimated forfeitures related to service-based vesting. The actual number of shares to be granted under a restricted stock unit award under this policy will be determined by dividing the grant date value by a 30-day volume weighted average trading price (ending on the trading day immediately preceding the grant date).

We also reimburse our non-employee directors for reasonable travel and other expenses incurred in connection with attending our board of director and committee meetings.

Risk Considerations in Our Compensation Program

Our compensation committee has reviewed and evaluated the philosophy and standards on which our compensation plans have been developed and implemented across our Company. It is our belief that our compensation programs do not encourage inappropriate actions or risk taking by our executive officers. We do not believe that any risks arising from our employee compensation policies and practices are reasonably likely to have a material adverse effect on our Company. In addition, we do not believe that the mix and design of the components of our executive compensation program encourage management to assume excessive risks.

EQUITY COMPENSATION PLANS AND OTHER BENEFIT PLANS

Equity Compensation Plan Information

The following table provides certain aggregate information with respect to all of the Company's equity compensation plans in effect as of December 31, 2018. As of December 31, 2018, we had two equity compensation plans, the 2018 Equity Incentive Plan, or the 2018 Plan, and the 2015 Equity Incentive Plan, or the 2015 Plan, each of which were approved by our shareholders.

Plan category	(a) Number of securities to be issued upon exercise of outstanding options	(b) Weighted average exercise price of outstanding options	(c) Number of securities remaining for future issuance under equity compensation plan (excluding securities reflected in column (a)) (1)
Equity compensation plans approved by shareholders	665,219	9.31	549,923
Equity compensation plans not approved by shareholders	—	—	—
Total	665,219	9.31	549,923

- (1) The amounts disclosed do not reflect an additional 574,081 ordinary shares authorized for issuance under the 2018 Plan as of January 1, 2019, as an annual increase in accordance with the terms of such plan.

2018 Equity Incentive Plan

Our board of directors adopted the 2018 Plan, in March 2018 and our shareholders approved the 2018 Plan in May 2018.

Authorized Awards. Our 2018 Plan authorizes the award of incentive stock options that may qualify for favorable tax treatment under U.S. tax laws to their recipients under Section 422 of the Code, or ISOs, nonstatutory stock options, or NSOs, stock appreciation rights, or SARs, restricted stock, restricted stock units, or RSUs, performance-based awards, and other stock awards, which are collectively referred to as awards. We may grant awards under the 2018 Plan to our employees, including our officers, and employees of our affiliates. A separate sub-plan to the 2018 Plan has been established for the purpose of granting awards to our non-employee directors and consultants and non-employee directors and consultants of our affiliates, which we refer to as the Sub-Plan. The provisions of the 2018 Plan apply in their entirety to any awards made under the Sub-Plan save for certain amendments set out in the Sub-Plan required in the context of awards to non-employee directors and consultants and non-employee directors and consultants of our affiliates, rather than employees, including references to eligible participants under the Sub-Plan.

Share Reserve. Initially, the aggregate number of our ordinary shares that may be issued pursuant to awards under our 2018 Plan was 1,018,459 shares, which includes any shares subject to outstanding options or other awards that were granted under our 2015 Plan and that are forfeited, terminated, expire or are otherwise not issued. Additionally, upon board or committee approval the number of ordinary shares reserved for issuance under our 2018 Plan will increase on January 1 of each calendar year for ten years, starting on January 1, 2019 and ending on and including January 1, 2028, in an amount up to 4% of the total number of our ordinary shares outstanding on December 31 of the prior calendar year, or a lesser number of shares determined by our board of directors. On December 5, 2018, pursuant to powers delegated to it by our board of directors, the compensation committee approved effective January 1, 2019 an increase in the number of ordinary shares available to be granted pursuant to the 2018 Plan by 4% of the total number of issued share capital on December 31, 2018, being 574,081 ordinary shares. As of December 31, 2018, options to purchase 431,612 ordinary shares were outstanding under our 2018 Plan, with a weighted-average exercise price of \$12.55 per share.

The maximum number of our ordinary shares that may be issued upon the exercise of ISOs under our 2018 Plan is equal to 3,055,377.

Shares subject to awards granted under our 2018 Plan that expire or terminate without being exercised in full, or that are paid out in cash rather than in shares, do not reduce the number of shares available for issuance under our 2018 Plan. Additionally, shares become available for future grant under our 2018 Plan if they were issued under awards under our 2018 Plan if we repurchase them or they are forfeited. This includes shares used to pay the exercise price of an award or to satisfy the tax withholding obligations related to an award.

Plan Administration. Our 2018 Plan is administered by our compensation committee, or by our board of directors or another duly authorized committee of our board of directors, acting in place of our compensation committee. Our board of directors or our compensation committee may also delegate to one or more of our officers the authority to designate employees (other than officers) to receive specified share awards, and determine the number of shares subject to such awards.

Our compensation committee has the authority to construe and interpret our 2018 Plan, grant and amend awards, determine the terms of such awards and make all other determinations necessary or advisable for the administration of the plan, including, but not limited to, repricing options or SARs without prior shareholder approval. Awards granted under the 2018 Plan may vest over time based on the holder's continued service with us, or following the achievement of certain pre-established performance goals.

Options. Options represent the right to purchase our ordinary shares on the date of exercise at a stated exercise price. ISOs may only be granted to employees of the Company and its subsidiaries. The exercise price of an option generally must be at least equal to the fair market value of our ordinary shares on the date of grant. Our compensation committee may provide for options to be exercised only as they vest or to be immediately exercisable with any shares issued on exercise being subject to our right of repurchase that lapses as the shares vest. The maximum term of options granted under our 2018 Plan is ten years.

Restricted Stock Awards. Restricted stock awards represent an offer by us to issue or sell our ordinary shares subject to vesting restrictions, which may lapse based on time or achievement of performance conditions. The price (if any) of a restricted stock award will be determined by our compensation committee. Unless otherwise determined by our compensation committee at the time of grant, vesting will cease on the date the participant no longer provides services to us and unvested shares will be forfeited.

Restricted Stock Unit Awards (RSUs). RSUs represent the right to receive our ordinary shares at a specified date in the future, subject to forfeiture of that right because of termination of employment or failure to achieve certain performance conditions. If an RSU award has not been forfeited, then on the date specified in the RSU agreement, we will deliver to the holder a number of whole ordinary shares, cash or a combination of our ordinary shares and cash. Additionally, dividend equivalents may be credited in respect of shares covered by an RSU award.

Stock Appreciation Rights. SARs provide for a payment, or payments, in cash or ordinary shares, to the holder based upon the difference between the fair market value of our ordinary shares on the date of exercise and the stated exercise price. The maximum term of SARs granted under our 2018 Plan is ten years.

Other Stock Awards. Our compensation committee may grant other awards based in whole or in part by reference to our ordinary shares. Our compensation committee will determine the number of shares under such award and all other terms and conditions of such awards.

Transferability. Awards granted under our 2018 Plan may not be transferred in any manner other than by will or by the laws of descent and distribution or as otherwise determined by our compensation committee or under the terms of our 2018 Plan or an applicable award agreement.

Changes to Capital Structure. In the event that there is a specified type of change in our capital structure, such as a share split or recapitalization, appropriate adjustments will be made to (i) the class and the maximum number of shares reserved for issuance under our 2018 Plan, (ii) the class and the maximum number of shares by which the share reserve may increase automatically each year, (iii) the class and the maximum number of shares that may be issued upon the exercise of ISOs, and (iv) the class and the number of shares and exercise price, strike price, or purchase price, if applicable, of all outstanding awards.

Corporate Transactions. Our 2018 Plan provides that in the event of certain specified significant corporate transactions, each outstanding award will be treated as determined by our board of directors unless otherwise provided in an award agreement or other written agreement between us and the award holder. The board of directors may take one of the following actions with respect to such awards:

- arrange for the assumption, continuation or substitution of an award by a successor corporation;
- arrange for the assignment of any reacquisition or repurchase rights held by us to a successor corporation;
- accelerate the vesting, in whole or in part, of the award and provide for its termination prior to the transaction;
- arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by us;

- cancel or arrange for the cancellation of the award, to the extent not vested or not exercised prior to the closing of the transaction, in exchange for a cash payment or no payment, as determined by our board of directors; and
- cancel or arrange for the cancellation of the award to the extent not vested but not exercised prior to the closing of the transaction, in exchange for a payment, in the form determined by our board of directors, equal to the excess, if any, of (A) the per share amount payable to holders of our ordinary shares in the transaction over (B) any exercise price payable by the participant in connection with the award, multiplied by the number of shares subject to the award.

A corporate transaction generally will be deemed to occur in the event of: (i) a sale of all or substantially all of our assets, (ii) the sale or disposition of more than 50% of our outstanding securities, (iii) the consummation of a merger or consolidation where we do not survive the transaction and (iv) the consummation of a merger or consolidation where we do survive the transaction but our ordinary shares outstanding prior to such transaction are converted or exchanged into other property by virtue of the transaction. In addition, any one or more of the above events may be effected pursuant to (x) a takeover under Irish takeover rules; (y) a compromise or arrangement under Chapter 1 of Part 9 of the Irish Companies Act 2014 or (z) Chapter 2 of Part 9 of the Irish Companies Act 2014.

The board of directors is not obligated to treat all awards or portions of stock awards, even those that are of the same type, in the same manner.

Amendment and Termination. Our board of directors or another duly authorized committee has the authority to amend, suspend, or terminate our 2018 Plan, provided that such action does not materially impair the existing rights of any participant without such participant's written consent. Certain material amendments also require the approval of our shareholders. No ISOs may be granted after the tenth anniversary of the date our board of directors adopted our 2018 Plan, and no awards may be granted under our 2018 Plan while it is suspended or after it is terminated.

2015 Equity Incentive Plan

Our board of directors adopted and our shareholders approved the 2015 Plan in November 2015. The 2015 Plan was amended most recently in May 2017. The 2015 Plan provides for the grant of ISOs, NSOs, restricted stock awards, RSUs, SARs, and other stock awards to our employees, directors and consultants.

Since the 2018 Plan became effective, we no longer grant awards under the 2015 Plan. However, any outstanding awards granted under the 2015 Plan remain outstanding, subject to the terms of the 2015 Plan and stock option agreements, until such outstanding options are exercised or until they terminate or expire by their terms.

Authorized Shares. As of December 31, 2018, we have reserved 233,607 ordinary shares for issuance under our 2015 Plan. As of December 31, 2018, options to purchase 233,607 ordinary shares were outstanding under our 2015 Plan, with a weighted-average exercise price of \$3.32 per share. The maximum number of ordinary shares that may be issued on the exercise of ISO under our 2015 Plan is the share reserve.

Plan Administration. Our 2015 Plan may be administered by our board of directors or another duly authorized committee. Our 2015 Plan is currently administered by our compensation committee. Our board of directors or another duly authorized committee has the authority to construe and interpret our 2015 Plan, amend the plan and outstanding awards and make all other determinations necessary or advisable for the administration of the plan, including, but not limited to, repricing options or SARs without prior shareholder approval.

Corporate Transactions. Our 2015 Plan provides that in the event of a corporate transaction, each outstanding award will be treated as determined by our board of directors unless otherwise provided in an award agreement or other written agreement between us and the award holder. The board of directors may generally take the same actions as summarized above in connection with awards under the 2018 Plan, and the definition of a corporate transaction under the 2015 Plan is substantially the same as such defined term in the 2018 Plan.

Transferability. Awards granted under our 2015 Plan may not be transferred in any manner other than by will or by the laws of descent and distribution or as otherwise determined by our compensation committee or under the terms of our 2015 Plan or an applicable award agreement.

Plan Amendment or Termination. Our board of directors or another duly authorized committee has the authority to amend, suspend, or terminate our 2015 Plan, provided that such action does not materially impair the existing rights of any participant without such participant's written consent. Certain material amendments also require the approval of our shareholders.

Health and Welfare Benefits

All of our named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, and vision insurance plans, in each case on the same basis as all of our other full-time employees.

401(k) Plan

We maintain a defined contribution retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees may defer eligible compensation on a pre-tax basis, up to the statutorily prescribed annual limits on contributions under the Code. The Company is required to contribute a deferral rate of up to 3% to the 401(k) plan on behalf of certain employees. We have not historically made discretionary contributions to the 401(k) plan for the benefit of employees. Employee contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participant's directions. Employees are immediately and fully vested in their contributions. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan's related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan.

Limitation on Liability and Indemnification of Directors and Officers

Our articles of association, and indemnification agreements with our board of directors and executive officers provide for indemnification for our directors and officers.

Rule 10b5-1 Sales Plans

Our directors and officers may adopt written plans, known as Rule 10b5-1 plans, in which they will contract with a broker to buy or sell ordinary shares on a periodic basis. Under a Rule 10b5-1 plan, a broker executes trades pursuant to parameters established by the director or officer when entering into the plan, without further direction from them. The director or officer generally may amend a Rule 10b5-1 plan in some circumstances and may terminate a plan at any time. Our directors and executive officers also may generally buy or sell additional shares outside of a Rule 10b5-1 plan when they are not in possession of material nonpublic information, subject to compliance with the terms of our insider trading policy.

REPORT OF THE AUDIT COMMITTEE

In fulfilling its responsibilities for the financial statements for the fiscal year ended December 31, 2018, the audit committee took the following actions:

- reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2018 with management and KPMG, our independent registered public accounting firm;
- discussed with KPMG the matters required to be discussed by the Public Company Accounting Oversight Board (“PCAOB”) in accordance with Auditing Standard No. 1301, *Communications with Audit Committees*;
- received the written disclosures and the letter from KPMG regarding its independence as required by applicable requirements of the PCAOB regarding KPMG’s communications with the audit committee and has discussed with KPMG their independence; and
- considered the status of other areas of oversight relating to the financial reporting and audit process that the audit committee determined appropriate.

Based on the foregoing, the audit committee recommended to the board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the SEC.

SECTION 16 (A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and holders of more than ten percent of our ordinary shares, to file with the SEC initial reports of ownership of our ordinary shares and other equity securities and reports of changes in ownership of our ordinary shares and other equity securities. Such executive officers, directors and holders of more than ten percent of our ordinary shares are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations regarding the filing of required reports, we believe that all Section 16(a) filing requirements applicable to our directors, executive officers and holders of more than ten percent of our ordinary shares, with respect to fiscal year ended December 31, 2018 were met.

We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unaffiliated third parties.

Investor Rights Agreement

In May 2017, we entered into an amended and restated investor rights agreement with holders of our preferred shares and ordinary shares, including certain holders of more than 5% of our share capital, our executive officers, certain of our directors, and entities affiliated with certain of our directors. Since the closing of our initial public offering, those holders are entitled to certain registration rights, including the right to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing. The agreement also gave the shareholders that are parties thereto the right to participate in new issuances of equity securities by us, subject to certain exceptions. This right to participate in new issuances of equity securities terminated by its terms upon the completion of our initial public offering in May 2018.

Amended Offer Letters

In May 2018 we entered into amended offer letters with certain of our executive officers. For more information regarding these amended offer letters, see the section titled “*Executive Officer and Director Compensation—Employment Agreements with Executive Officers*”.

Equity Grants

We have granted share awards to certain non-employee members of our board of directors. For details and a description of these share awards, see the section titled “*Executive Officer and Director Compensation—Summary Compensation*”.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers. In addition, our subsidiary, Iterum Therapeutics US Limited, has entered into an indemnification agreement with each of our directors and executive officers. These agreements, among other things, require us to indemnify an indemnitee to the fullest extent permitted by applicable law, including indemnification of expenses such as attorneys' fees, judgments, fines and settlement amounts incurred by the indemnitee in any action or proceeding, including any action or proceeding by us or in our right, arising out of the person's services as a director or executive officer. We also maintain a directors and officers liability insurance policy which covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers.

Related Party Transaction Policy

We have adopted a formal written policy that our executive officers, directors, key employees, holders of more than 5% of any class of our voting securities, and any member of the immediate family of and any entity affiliated with any of the foregoing persons, are not permitted to enter into a related-party transaction with us without the prior consent of our audit committee, or other independent body of our board of directors in the event it is inappropriate for our audit committee to review such transaction due to a conflict of interest. Any request for us to enter into a transaction with an executive officer, director, principal shareholder, or any of their immediate family members or affiliates, in which the amount involved exceeds \$120,000, is required to first be presented to our audit committee for review, consideration, and approval. In approving or rejecting any such proposal, our audit committee will consider the relevant facts and circumstances available and deemed relevant to our audit committee, including, but not limited to, whether the transaction will be on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction.

Some of the transactions described in this section were entered into prior to the adoption of this policy. Although we did not have a written policy for the review and approval of transactions with related persons prior to May 2018, our board of directors has historically reviewed and approved any transaction where a director or officer had a financial interest, including the relevant transactions described above. Prior to approving such a transaction, the material facts as to a director's or officer's relationship or interest in the agreement or transaction were disclosed to our board of directors. Our board of directors took this information into account when evaluating the transaction and in determining whether such transaction was fair to us and in the best interest of all our shareholders.

MATTERS TO COME BEFORE THE ANNUAL GENERAL MEETING

PROPOSAL 1: ELECTION OF CLASS I DIRECTORS

Based upon the recommendation of the nominating and corporate governance committee of our board of directors, our board of directors has nominated David G. Kelly and Mark Chin for re-election at the AGM as Class I directors for a term of three years to serve until the 2022 annual general meeting of shareholders, subject to each such nominee's prior death, resignation, retirement, disqualification or removal.

Unless otherwise instructed in the proxy, all proxies will be voted "FOR" the election of each of the nominees identified above. Each of the nominees has indicated his willingness to serve on our board of directors, if elected. If any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee designated by our board of directors. We do not contemplate that any of the nominees will be unable to serve if elected. Although there will be one vacancy on our board of directors following the AGM as Paul R. Edick's term will expire at the AGM, proxies cannot be voted for a greater number of persons than the number of nominees named in this proposal.

In order to be elected as a director, each nominee must receive the affirmative vote of a majority of the votes cast at the AGM.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF DAVID G. KELLY AND MARK CHIN AS CLASS I DIRECTORS.

PROPOSAL 2: TO RATIFY, IN A NON-BINDING VOTE, THE APPOINTMENT OF KPMG TO SERVE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDED DECEMBER 31, 2019 AND TO AUTHORIZE THE BOARD OF DIRECTORS, ACTING THROUGH THE AUDIT COMMITTEE, TO SET THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM'S REMUNERATION.

The audit committee has appointed KPMG as our independent registered public accounting firm, to audit our financial statements for the fiscal year ending December 31, 2019. KPMG has severed as our independent registered public accounting firm for the fiscal year ended December 31, 2018. Representatives of KPMG are expected to be present in person or telephonically at the AGM and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions from shareholders.

In deciding to appoint KPMG, the audit committee reviewed auditor independence issues and existing commercial relationships with KPMG and concluded that KPMG has no commercial relationship with the Company that would impair its independence for the fiscal year ending December 31, 2019.

The following table presents fees for professional audit services and other services rendered by KPMG to the Company for the fiscal years ending December 31, 2018 and December 31, 2017.

	2018 (\$)	2017 (\$)
Audit fees (1)	\$ 380,070	\$ 108,182
Audit related fees (2)	—	23,641
Tax fees (3)	80,235	44,201
All other fees	—	—
	<u>\$ 460,305</u>	<u>\$ 176,024</u>

- (1) "Audit Fees" consist of fees billed for professional services performed by KPMG for the audit of our annual financial statements, the review of interim financial statements, and related services that are normally provided in connection with registration statements, including the registration statement on Form S-1 filed in connection with our initial public offering and a registration statement on Form S-8. Included in the 2018 audit fees is \$208,427 of fees billed in connection with our initial public offering in May 2018.
- (2) "Audit related fees" consist of fees billed by an independent registered public accounting firm for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements.
- (3) "Tax fees" consist of fees for professional services, including tax consulting and compliance performed by an independent registered public accounting firm.

All of these services were pre-approved by the audit committee in accordance with the "Policy on Audit Committee Pre-Approval of Services" described below. No work carried out in connection with the audit of our financial statements was performed by persons other than KPMG's full time, permanent employees.

Policy on Audit Committee Pre-Approval of Services

Consistent with SEC policies regarding auditor independence, the audit committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the audit committee reviews and pre-approves all audit and permissible non-audit services provided by our independent registered public accounting firm; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules.

Our board of directors is seeking shareholder ratification of the appointment by the audit committee of KPMG to serve as our independent registered public accounting firm and the authorization of the board of directors, acting through the audit committee, to set the auditor's remuneration. If this proposal is not approved at the AGM, our audit committee may reconsider this selection.

The affirmative vote of a majority of the votes cast at the AGM is required for this proposal.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF KPMG AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019 AND THE AUTHORIZATION OF THE BOARD OF DIRECTORS, ACTING THROUGH THE AUDIT COMMITTEE, TO SET THE AUDITOR'S REMUNERATION.
