In respect of a Share or Shares held jointly by several persons, the Company shall not be bound to issue a certificate or certificates to each such person, and the issue and delivery of a certificate or certificates to one of several joint holders shall be sufficient delivery to all such holders.
18. If a share certificate is defaced, worn out, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity and on the payment of such expenses reasonably incurred by the Company in investigating such evidence, as the Board may prescribe, and, in the case of defacement or wearing out, upon delivery of the old certificate.

23. Subject to such of the restrictions of these Articles and to such of the conditions of issue or transfer as may be applicable, all transfers of Shares shall be effected by an instrument in writing (an "**instrument of transfer**") in such form as the Board or the Secretary may approve. Any document which records the name of the transferor, the name of the transferee, the class and number of Shares agreed to be transferred and the date of the agreement to transfer the Shares, shall, once executed in accordance with this Article, be deemed to be a proper instrument of transfer for the purposes of section 94 of the Companies Act.
- 24.4. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered on the Register in respect thereof, and neither the title of the transferee

nor the title of the transferor shall be affected by any irregularity or invalidity in the proceedings in reference to the sale should the Board so determine.

- 24.5. The Company, at its absolute discretion and insofar as the Companies Act or any other applicable law permits, may, or may procure that a subsidiary of the Company shall, pay Irish stamp duty arising on a transfer of Shares on behalf of the transferor or transferee of such Shares of the Company. - 24.6. Notwithstanding the provisions of these Articles and subject to any regulations made under section 1086 of the Companies Act or the 1990 Regulations (including any modification thereof or any regulations in substitution therefor made under the Companies Act or otherwise), title to any Shares in the Company may also be evidenced and transferred without a written instrument in accordance with section 1086 of the Companies Act or any regulations made thereunder or the 1990 Regulations (including any modification thereof or any regulations in substitution therefor made under the Companies Act or otherwise). The Board shall have power to permit any class of Shares to be held in uncertificated form and to implement any arrangements they think fit for such evidencing and transfer which accord with such regulations and in particular shall, where appropriate, be entitled to disapply or modify all or part of the provisions in these Articles with respect to the requirement for written instruments of transfer and share certificates (if any), in order to give effect to such regulations.
25. The Board may, without assigning any reason for its decision, decline to register any transfer of any Share which is not a fully paid Share. The Board may also, without assigning any reason, refuse to register a transfer of any Share unless:
- 25.1. the instrument of transfer is fully and properly completed and is lodged with the Company at the registered office or at such other place as the Board or the Secretary may specify accompanied by the certificate(s) for the Shares (if any) to which it relates (which shall upon registration of the transfer be cancelled) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;

- 25.5. in the case of a transfer to joint holders, the number of joint holders to which the Share is to be transferred does not exceed four;
- 25.6. it is satisfied, acting reasonably, that all applicable consents, authorisations, permissions or approvals of any governmental body or agency in Ireland or any other applicable jurisdiction required to be obtained under relevant law prior to such transfer have been obtained; and

- 25.7. it is satisfied, acting reasonably, that the transfer would not violate the terms of any agreement to which the Company (or any of its subsidiaries) and the transferor are party or subject.
26. If the Board shall refuse to register a transfer of any Share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and the transferee notice of such refusal.
27. The Company shall not be obligated to make any transfer to an individual under 18 years of age or to a person in respect of whom an order has been made by a competent court or official on the grounds that he or she is or may be suffering from mental disorder or is otherwise incapable of managing his or her affairs or under other legal disability.
28. Upon every transfer of Shares, the certificate (if any) held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and subject to Article 16 a new certificate may be issued without charge to the transferee in respect of the Shares transferred to him or her, and if any of the Shares included in the certificate so given up shall be retained by the transferor, a new certificate in respect thereof may be issued to him or her without charge.

29. Subject to the provisions of Chapter 6 of Part 3 and Chapter 5 of Part 17 of the Companies Act and the other provisions of this Article 29, and without prejudice to Article 13, the Company may:
- 29.1. pursuant to section 66(4) of the Companies Act, allot and issue any Shares of the Company which are to be redeemed or are liable to be redeemed at the option of the Company or the Member on such terms and in such manner as may be determined by the Board;
- 29.2. redeem Shares of the Company on such terms as may be contained in, or be determined pursuant to the provisions of, these Articles. Subject as aforesaid, the Company may cancel any Shares so redeemed or may hold them as treasury shares (as defined by section 106(1) of the Companies Act) and re-issue such treasury shares as Shares of any class or classes or cancel them;
- 29.3. subject to or in accordance with the provisions of the Companies Act and without prejudice to any relevant special rights attached to any class of Shares, pursuant to section 105 and Chapter 5 of Part 17 of the Companies Act, acquire any of its own Shares (including any Redeemable Shares and without any obligation to acquire on any *pro rata* basis as between Members or Members of the same class) and may cancel any Shares so acquired or hold them as treasury shares (as defined by section 106(1) of the Companies Act) and may re-issue any such Shares as Shares of any class or classes or cancel them; or
- 29.4. convert any of its Shares into Redeemable Shares provided that the total number of Shares which shall be redeemable pursuant to this authority shall not exceed the limit in section 1071(b) of the Companies Act. No resolution of Members, whether special or otherwise, shall be required to be passed to convert any of the Company's Shares into Redeemable Shares.
30. The Company may make a payment in respect of the redemption or purchase of its own Shares in any manner permitted by the Companies Act.

VARIATION OF RIGHTS OF SHARES

32. Without prejudice to the authority conferred on the Directors pursuant to Article 13 to issue Preferred Shares in the capital of the Company, if at any time the share capital of the Company is divided into different classes or series of Shares, the rights attached to any class or series (unless otherwise provided by the terms of issue of the Shares of that class or series) may be varied or abrogated with the consent in writing of the holders of a majority of the issued Shares of that class or series entitled to vote on such variation or abrogation, or with the sanction of an Ordinary Resolution passed at a general meeting of the holders of the Shares of that class or series.
33. The provisions of these Articles relating to general meetings of the Company shall apply *mutatis mutandis* to every such general meeting of the holders of one class or series of Shares except that the necessary quorum shall be one or more persons holding or representing by proxy at least a majority of the issued Shares of the class or series.
34. The rights conferred upon the holders of the Shares of any class or series issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the Shares of that class or series, be deemed to be varied by (i) the creation or issue of further Shares ranking *pari passu* therewith; (ii) a purchase or redemption by the Company of its own Shares; or (iii) the creation or issue for value (as determined by the Board) of further Shares ranking as regards participation in the profits or assets of the Company or otherwise in priority to them. For the avoidance of doubt:
- 34.1. the issue, redemption or purchase of any of the 100,000,000 Preferred Shares of US\$0.01 each shall not constitute a variation of the rights of the holders of Ordinary Shares; and
- 34.2. the issue of Preferred Shares or any class or series of Preferred Shares which rank *pari passu* with, or junior to, any existing Preferred Shares or class or series of Preferred Shares shall not constitute a variation of the existing Preferred Shares or class or series of Preferred Shares.

LIEN ON SHARES

35. The Company shall have a first and paramount lien on every Share (not being a fully paid Share) for all monies (whether presently payable or not) payable at a fixed time or called in respect of that Share. The Board, at any time, may declare any Share to be wholly or in part exempt from the provisions of this Article 35. The Company's lien on a Share shall extend to all monies payable in respect of it.
36. The Company may sell in such manner as the Board determines any Share on which the Company has a lien if a sum in respect of which the lien exists is presently payable and is not paid within fourteen (14) clear days after notice demanding payment, stating that if the notice is not complied with the Share may be sold, has been given to the holder of the Share or to the person entitled to it by reason of the death, bankruptcy or insolvency of the holder or otherwise by operation of law or regulation (whether of Ireland or otherwise).
37. To give effect to a sale, the Board may authorise some person to execute an instrument of transfer of the Share(s) sold to, or in accordance with, the directions of the transferee. The transferee shall be entered in the Register as the holder of the Share(s) comprised in any such transfer and he or she shall not be bound to see to the application of the purchase monies nor shall his or her title to the Share be affected by any irregularity in, or invalidity of, the proceedings in reference to the sale, and after the name of the transferee has been entered in the Register, the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.
38. The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable and any residue (upon surrender to the Company for cancellation of the certificate for the Shares sold and subject to a like lien for any monies not presently payable as existed upon the Shares before the sale) shall be paid to the person entitled to the Shares at the date of the sale.

39. Whenever any law for the time being of any country, state or place imposes or purports to impose any immediate or future or possible liability upon the Company to make any payment or empowers any government or taxing authority or government official to require the Company to make any payment in respect of any Shares registered in the Register as held either jointly or solely by any Members or in respect of any dividends, bonuses or other monies due or payable or accruing due or which may become due or payable to such Member by the Company on, or in respect of, any Shares registered as mentioned above or for or on account or in respect of any Member and whether in consequence of:
- (a) the death of such Member;
 - (b) the non-payment of any income tax or other tax by such Member;
 - (c) the non-payment of any estate, probate, succession, death, stamp or other duty by the executor or administrator of such Member or by or out of his or her estate; or
 - (d) any other act or thing;
- in every such case (except to the extent that the rights conferred upon holders of any class of Shares renders the Company liable to make additional payments in respect of sums withheld on account of the foregoing):
- 39.1. the Company shall be fully indemnified by such Member or his or her executor or administrator from all liability;
 - 39.2. the Company shall have a lien upon all dividends and other monies payable in respect of the Shares registered in the Register as held either jointly or solely by such Member for all monies paid or payable by the Company as referred to above in respect of such Shares or in respect of any dividends or other monies thereon or for or on account or in respect of such Member under or in consequence of any such law, together with interest at the rate of fifteen percent (15%) per annum (or such other rate as the Board may determine) thereon from the date of payment to date of repayment, and the Company may deduct or set off against such dividends or other monies so payable any monies paid or payable by the Company as referred to above together with interest at the same rate;
 - 39.3. the Company may recover as a debt due from such Member or his or her executor or administrator (wherever constituted) any monies paid by the Company under or in consequence of any such law and interest thereon at the rate and for the period referred to above in excess of any dividends or other monies then due or payable by the Company; and
 - 39.4. the Company may, if any such money is paid or payable by it under any such law as referred to above, refuse to register a transfer of any Shares by any such Member or his or her executor or administrator until such money and interest is set off or deducted as referred to above or, in the case that it exceeds the amount of any such dividends or other monies then due or payable by the Company, until such excess is paid to the Company.
40. Subject to the rights conferred upon the holders of any class of Shares, nothing in Article 39 will prejudice or affect any right or remedy which any law may confer or purport to confer on the Company. As between the Company and every such Member as referred to above (and, his or her executor, administrator and estate, wherever constituted), any right or remedy which such law shall confer or purport to confer on the Company shall be enforceable by the Company.

CALLS ON SHARES

41. Subject to the terms of allotment, the Board may make calls upon the Members in respect of any monies unpaid on their Shares and each Member (subject to receiving at least fourteen (14) clear days' notice specifying when and where payment is to be made) shall pay to the Company as required by the

notice the amount called on his or her Shares. A call may be required or permitted to be paid in instalments. A call may be revoked before receipt by the Company of a sum due thereunder, in whole or in part, and payment of a call may be postponed in whole or in part.

42. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed.
43. A person on whom a call is made shall (in addition to a transferee) remain liable notwithstanding the subsequent transfer of the Share in respect of which the call is made.
44. The joint holders of a Share shall be jointly and severally liable to pay all calls in respect thereof.
45. If a call remains unpaid after it has become due and payable, the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due until it is paid at the rate fixed by the terms of allotment of the Share or in the notice of the call or, if no rate is fixed, at the appropriate rate (as defined by the Companies Act), but the Board may waive payment of the interest wholly or in part.
46. An amount payable in respect of a Share on allotment or at any fixed date, whether in respect of nominal value or by way of premium, shall be deemed to be a call and, if it is not paid, the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call.
47. Subject to the terms of allotment, the Board may make arrangements on the issue of Shares for a difference between the holders in the amounts and times of payment of calls on their Shares.
48. The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the monies uncalled and unpaid upon any Shares held by him or her, and upon all or any of the monies so advanced may pay (until the same would, but for such advance, become payable) interest at such rate as may be agreed upon between the Directors and the Member paying such sum in advance.

FORFEITURE

49. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors, at any time thereafter during such times as any part of the call or instalment remains unpaid, may serve a notice on him or her requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued.
50. The notice shall state a further day (not earlier than the expiration of fourteen (14) clear days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.
51. If the requirements of any such notice as aforesaid are not complied with, then at any time thereafter before the payment required by the notice has been made, any Shares in respect of which the notice has been given may be forfeited by a resolution of the Directors to that effect. The forfeiture shall include all dividends or other monies payable in respect of the forfeited Shares and not paid before forfeiture. The Board may accept a surrender of any Share liable to be forfeited hereunder.
52. On the trial or hearing of any action for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the Shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the Member sued, in pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

53. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit. Where for the purposes of its disposal, such a Share is to be transferred to any person, the Board may authorise some person to execute an instrument of transfer of the Share to that person. The Company may receive the consideration, if any, given for the Share on any sale or disposition thereof and may execute a transfer of the Share in favour of the person to whom the Share is sold or disposed of and thereupon he or she shall be registered as the holder of the Share and shall not be bound to see to the application of the purchase money, if any, nor shall his or her title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the Share.
54. A person whose Shares have been forfeited shall cease to be a Member in respect of the forfeited Shares, but nevertheless shall remain liable to pay to the Company all monies which, at the date of forfeiture, were payable by him or her to the Company in respect of the Shares, without any deduction or allowance for the value of the Shares at the time of forfeiture but his or her liability shall cease if and when the Company shall have received payment in full of all such monies in respect of the Shares.
55. A statement in writing that the maker of the statement is a Director or the Secretary of the Company, and that a Share in the Company has been duly forfeited on the date stated in the statement, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Share.
56. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the Share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
57. The Directors may accept the surrender of any Share which the Directors have resolved to have been forfeited upon such terms and conditions as may be agreed and, subject to any such terms and conditions, a surrendered Share shall be treated as if it has been forfeited.

NON-RECOGNITION OF TRUSTS

58. The Company shall not be obligated to recognise any person as holding any Share upon any trust (except as is otherwise provided in these Articles or to the extent required by law) and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future, or partial interest in any Share, or any interest in any fractional part of a Share, or (except only as is otherwise provided by these Articles or the Companies Act) any other rights in respect of any Share except an absolute right to the entirety thereof in the registered holder. This shall not preclude the Company from requiring the Members or a transferee of Shares to furnish the Company with information as to the beneficial ownership of any Share when such information is reasonably required by the Company.

TRANSMISSION OF SHARES

59. If a Member dies, the survivor or survivors where the deceased was a joint holder, and the legal personal representatives of the deceased where he or she was a sole holder or the only survivor of joint holders, shall be the only persons recognised by the Company as having any title to his or her interest in the Shares; but nothing herein contained shall release the estate of any deceased holder from any liability in respect of any Share which had been jointly held by him or her solely or jointly with other persons.
60. A person becoming entitled to a Share in consequence of the death, bankruptcy, liquidation or insolvency of a Member, or otherwise becoming entitled to a Share by operation of any law, directive or regulation (whether of Ireland, the European Union, or any other jurisdiction) may elect, upon such evidence of title being produced as the Directors or the Secretary (or such other person as may be

nominated by the Secretary for this purpose) may reasonably require at any time and from time to time, and subject as further provided in this Article, either to become the holder of the Share or to have some person nominated by him or her registered as the transferee of such Share. If he or she elects to become the holder of the Share, he or she shall give notice to the Company to that effect and, where the Directors or the Secretary (or such other person as may be nominated by the Secretary for this purpose) are satisfied with the evidence of title produced to them, they may register such person as the holder of the Share, subject to the other provisions of these Articles and of the Companies Act. If he or she elects to have another person registered as the transferee of the relevant Share, he or she shall execute an instrument of transfer of the Share to that person. All of these Articles relating to the transfer of Shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the relevant Member and the event giving rise to the entitlement of the relevant person to the Shares had not occurred.

61. A person becoming entitled to a Share by transmission shall have the rights to which he or she would be entitled if he or she were the holder of the Share (including the right to receive and give a valid discharge for any dividends, distributions or other moneys payable on or in respect of the Share), except that, before being registered as the holder of the Share, he or she shall not be entitled in respect of it to receive notices of, or to attend or vote at, any meeting of the Company or at any separate meeting of holders of any class of Shares in the Company. The Directors or the Secretary (or such other person as may be nominated by the Secretary for this purpose), at any time, may give notice requiring any such person to elect either to be registered himself or herself as the holder of the Share or to transfer the Share and, if the notice is not complied with within ninety (90) days, the Directors or the Secretary (or such other person as may be nominated by the Secretary for this purpose) thereupon may withhold payment of all dividends, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.

**AMENDMENT OF MEMORANDUM OF ASSOCIATION;
CHANGE OF LOCATION OF REGISTERED OFFICE; AND
ALTERATION OF CAPITAL**

62. The Company may by Ordinary Resolution (or as otherwise provided in these Articles, or determined by the Board, or otherwise permitted under applicable law):
- 62.1. divide its share capital into several classes and attach to them respectively any preferential, deferred, qualified or special rights, privileges or conditions;
 - 62.2. increase the authorised share capital by such sum to be divided into Shares of any nominal value;
 - 62.3. consolidate and divide all or any of the Shares into Shares of a larger nominal value than the existing Shares;
 - 62.4. subdivide the Shares, or any of them, into Shares of a smaller nominal value, so however, that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in the case of the Share from which the reduced Share is derived (and so that the Board may determine that, as between the holders of the Shares resulting from such sub-division, one or more of the Shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new Shares);
 - 62.5. cancel any Shares which have not been taken or agreed to be taken by any person and diminish the amount of the Company's share capital by the amount of the Shares so cancelled;
 - 62.6. increase the nominal value of any of the Shares by the addition to them of any undenominated capital;

- 62.7. reduce the nominal value of any of the Shares by the deduction from them of any part of that value, subject to the crediting of the amount of the deduction to undenominated capital, other than the share premium account;
- 62.8. convert any undenominated capital into Shares for allotment as bonus shares to holders of existing Shares; and/or
- 62.9. subject to applicable law, change the currency denomination of its share capital.
63. Subject to the provisions of the Companies Act, the Company may:
- 63.1. by Special Resolution (or as otherwise required or permitted by applicable law) change its name, alter or add to the Memorandum with respect to any objects, powers or other matters specified therein or alter or add to these Articles;
- 63.2. by Special Resolution (or as otherwise required or permitted by these Articles and applicable law (including, without limitation, section 83 of the Companies Act)) reduce its issued share capital and any capital redemption reserve fund, share premium account or undenominated capital account. In relation to such reductions, the Company may by Special Resolution (or as otherwise required or permitted by these Articles and applicable law) determine the terms upon which the reduction is to be effected, including in the case of a reduction of part only of any class of Shares, those Shares to be affected; and
- 63.3. by resolution of the Directors, change the location of its registered office.
64. Where any difficulty arises in regard to any alteration or reorganisation of the share capital of the Company, the Board may settle the same as they think expedient and in particular, may arrange to sell any Shares representing fractions for the best price reasonably obtainable to any person and distribute the proceeds of sale in due proportion among those Members, and the Board may authorise any person to execute an instrument of transfer of the Shares to, or in accordance with the directions of, the purchaser. The transferee shall not be bound to see to the application of the purchase money nor shall his or her title to the Shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

CLOSING REGISTER OF MEMBERS OR FIXING RECORD DATE

65. For the purpose of determining Members entitled to notice of or to vote at any meeting of Members or any adjournment thereof, or Members entitled to receive payment of any dividend, or in order to make a determination of Members for any other proper purpose, the Board may provide, subject to the requirements of section 174 of the Companies Act, that the Register of Members shall be closed for transfers at such times and for such periods, not exceeding in the whole thirty (30) days in each year, as it may determine. If the Register of Members shall be so closed for the purpose of determining Members entitled to notice of, or to vote at, a meeting of Members, such Register of Members shall be so closed for at least five (5) days immediately preceding such meeting and the record date for such determination shall be the date of the closure of the Register of Members.
66. In lieu of, or apart from, closing the Register of Members, the Board may fix in advance a date as the record date (a) for any such determination of Members entitled to notice of or to vote at a meeting of the Members, which record date shall not be more than sixty (60) days before the date of such meeting, and (b) for the purpose of determining the Members entitled to receive payment of any dividend or other distribution, or in order to make a determination of Members for any other proper purpose, which record date shall not be more than sixty (60) days prior to the date of payment of such dividend or other distribution or the taking of any action to which such determination of Members is relevant.
67. If the Register of Members is not so closed and no record date is fixed for the determination of Members entitled to notice of or to vote at a meeting of Members, the date immediately preceding the

date on which notice of the meeting is deemed given under these Articles shall be the record date for such determination of Members. Where a determination of Members entitled to vote at any meeting of Members has been made as provided in these Articles, such determination shall apply to any adjournment thereof; provided, however, that the Directors may fix a new record date of the adjourned meeting, if they think fit.

GENERAL MEETINGS

68. The Board shall convene and the Company shall hold annual general meetings in accordance with the requirements of the Companies Act.
69. The Board may, whenever it thinks fit, and shall, on the requisition in writing of Members holding such number of Shares as is prescribed by, and made in accordance with the Companies Act, convene a general meeting in the manner required by the Companies Act. All general meetings other than annual general meetings shall be called extraordinary general meetings. Where any provision of the Companies Act confers rights on the members of a company to convene a general meeting without first directing the board of directors to convene a general meeting and expresses such rights to apply save where a company's articles of association or constitution provides otherwise, such rights shall not apply to the Members of the Company.
70. The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year, and shall specify the meeting as such in the notice calling it. Not more than fifteen (15) months shall elapse between the date of one annual general meeting of the Company and that of the next. Each general meeting shall be held at such time and place as designated by the Board and as specified in the notice of meeting. Subject to section 176 of the Companies Act, all general meetings may be held outside of Ireland.
71. The Board may authorise the Secretary to postpone or cancel any general meeting called in accordance with the provisions of these Articles (other than a meeting requisitioned by the Members in accordance with the Companies Act or the postponement or cancellation of which would be contrary to the Companies Act, law or a Court order pursuant to the Companies Act) if the Board considers that, for any reason, it is impractical or unreasonable to hold the general meeting, provided that notice of postponement or cancellation is given to each Member before the time for such meeting. Fresh notice of the date, time and place for any postponed meeting shall be given to each Member in accordance with the provisions of these Articles.

NOTICE OF GENERAL MEETINGS

72. Subject to the provisions of the Companies Act allowing a general meeting to be called by shorter notice, an annual general meeting, and an extraordinary general meeting called for the passing of a Special Resolution, shall be called on at least twenty-one (21) clear days' notice and all other extraordinary general meetings shall be called on at least fourteen (14) clear days' notice. Such notice shall state the date, time, place of the meeting and the general nature of the business to be considered. Every notice shall specify such other details as are required by applicable law or the relevant code, rules and regulations applicable to the listing of the Shares on any Exchange.
73. A general meeting of the Company shall, whether or not the notice specified in Article 72 has been given and whether or not the provisions of the Articles regarding general meetings have been complied with, be deemed to have been duly convened if applicable law so permits and it is so agreed by the Auditors and by all the Members entitled to attend and vote thereat or by their proxies.
74. The notice convening an annual general meeting shall specify the meeting as such, and the notice convening a meeting to pass a Special Resolution shall specify the intention to propose the resolution as a Special Resolution. Notice of every general meeting shall be given in any manner permitted by these Articles to all Members.

75. There shall appear with reasonable prominence in every notice of general meeting of the Company a statement that a Member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him or her and that a proxy need not be a Member of the Company.
76. The accidental omission to give notice of a general meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings of that meeting.
77. In cases where instruments of proxy are sent out with notices, the accidental omission to send such instrument of proxy to, or the non-receipt of such instrument of proxy by, any person entitled to receive notice shall not invalidate the notice or any resolution passed or any proceeding at any such meeting. A Member present, either in person or by proxy, at any general meeting of the Company or of the holders of any class of Shares in the Company will be deemed to have received notice of that meeting and, where required, of the purpose for which it was called.

PROCEEDINGS AT GENERAL MEETINGS

78. The business of annual general meetings shall include:
- 78.1. the consideration of the Company's statutory financial statements and the report of the Directors and the report of the Auditors on those statements and that report;
 - 78.2. the review by the Members of the Company's affairs;
 - 78.3. the appointment or re-appointment of Auditors;
 - 78.4. the authorisation of the Directors to approve the remuneration of the Auditors; and
 - 78.5. the election and re-election of Directors.
79. No business shall be transacted at any general meeting unless a quorum is present. One or more Members present in person or by proxy (whether or not such Member actually exercises his voting rights in whole, in part or at all at the relevant general meeting) holding not less than a majority of the issued and outstanding Shares of the Company entitled to vote at the meeting in question shall be a quorum.
80. If within 15 minutes (or such longer time not exceeding one hour as the Chairperson of the meeting may decide to wait) after the time appointed for the holding of the meeting a quorum is not present, or if during the meeting a quorum ceases to be present, the meeting (i) if convened on the requisition of Members, shall be dissolved; and (ii) in any other case, shall stand adjourned to the same day in the next week or to such other day and at such other time and place as the Chairperson (or, in default, the Board) may, subject to the provisions of the Companies Act, determine. If at such adjourned meeting a quorum is not present within 15 minutes after the time appointed for holding it the adjourned meeting shall be dissolved.
81. If the Board wishes to make this facility available to Members for any or all general meetings of the Company, a Member may participate in any general meeting of the Company by means of a telephone, video, electronic or similar communication equipment by way of which all persons participating in such meeting can communicate with each other simultaneously and instantaneously and such participation shall be deemed to constitute presence in person at the meeting.
82. Each Director and the Auditors shall be entitled to attend and speak at any general meeting of the Company.
83. The Chairperson, or in his absence, some other Director nominated by the Directors shall preside at every general meeting of the Company, but if at any meeting neither the Chairperson, nor such other Director, is present within fifteen minutes after the time appointed for the holding of the meeting, or if

none of them are willing to act as Chairperson, the Directors present shall choose some Director present to be Chairperson, or if no Director is present, or if all the Directors present decline to take the chair, the Members present shall choose some Member present to be Chairperson.

84. The Chairperson of the meeting may, and shall if so directed by the meeting (upon the passage of an Ordinary Resolution), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished, or which might have been transacted, at the meeting from which the adjournment took place. When a general meeting is adjourned for thirty (30) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting; save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned general meeting. Without prejudice to any other power of adjournment which the Chairperson of the meeting may have under these Articles, at common law or otherwise, the Chairperson may, without the consent of the meeting, adjourn the meeting from time to time (or indefinitely) and from place to place if he or she decides that it is necessary or appropriate to do so in order to: (a) secure the proper and orderly conduct of the meeting (b) give all persons entitled to do so an opportunity of attending the meeting (c) give all persons entitled to do so a reasonable opportunity of speaking and voting at the meeting or (d) ensure that the business of the meeting is properly concluded or disposed of, including (without limitation) for the purpose of determining the result of a poll.
- 85.
- 85.1. Subject to the Companies Act, a resolution may only be put to a vote at a general meeting of the Company or of any class of Members if:
- (a) it is specified in the notice of meeting;
 - (b) it is proposed by or at the direction of the Board;
 - (c) it is proposed at the direction of a court of competent jurisdiction;
 - (d) it is proposed pursuant to, and in accordance with, the procedures and requirements of Article 86 or 151;
 - (e) it is proposed on the requisition in writing of such number of Members as is prescribed by, and is made in accordance with, section 178(3) of the Companies Act;
 - (f) the Chairperson of the meeting decides that the resolution may properly be regarded as within the scope of the meeting; or
 - (g) it has not been withdrawn by the Chairperson in accordance with Article 85.2.
- 85.2. The Chairperson of the meeting may, at his sole discretion, withdraw any resolution to be put to a vote at a general meeting of the Company or of any class of Members and such withdrawal shall not invalidate the proceedings of such meeting and shall be without prejudice to any other resolutions to be put to a vote at such general meeting of the Company or any class of Members.
- 85.3. No amendment may be made to a resolution, at or before the time when it is put to a vote, unless the Chairperson of the meeting decides that the amendment or the amended resolution may properly be put to a vote at that meeting.
- 85.4. If the Chairperson of the meeting rules a resolution or an amendment to a resolution admissible or out of order (as the case may be), the proceedings of the meeting or on the resolution in

question shall not be invalidated by any error in his or her ruling. Any ruling by the Chairperson of the meeting in relation to a resolution or an amendment to a resolution shall be final and conclusive.

86.

- 86.1. For business to be properly requested by a Member to be brought before a general meeting, (other than nominations of directors, which may only be made in accordance with Article 151.1) the Member must:
- (a) be a Member of the Company at the time of the giving of the notice for such general meeting;
 - (b) be entitled to vote at such meeting; and
 - (c) have given timely and proper notice in writing to the Secretary in accordance with this Article 86.
- 86.2. To be timely for an annual general meeting, a Member's notice to the Secretary must be delivered to or mailed and received at the registered office of the Company (i) with respect to the first annual general meeting of the Company as a public limited company, not later than the 10th day following the day on which public announcement of the date of such annual general meeting is first made by the Company and (ii) with respect to all other annual general meetings, not less than ninety (90) days nor (except for shareholder proposals subject to Rule14a-8(e)(3) of the Exchange Act) more than one hundred and twenty (120) days prior to the first anniversary of the date of the notice convening the preceding year's annual general meeting provided, however, that if the date of the annual general meeting is changed by more than thirty (30) days from the first anniversary date of the preceding year's annual general meeting, the Member's notice must be so received not earlier than one hundred and twenty (120) days prior to such annual general meeting and not later than the close of business on the later of (x) the 90th day prior to such annual general meeting or (y) the 10th day following the day on which a public announcement of the date of the annual general meeting is first made. In no event shall the adjournment or postponement of any annual general meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a Member's notice to the Secretary pursuant to this Article 86.2.
- 86.3. To be timely for a general meeting (other than an annual general meeting), a Member's notice to the Secretary must be delivered to or mailed and received at the registered office of the Company not less than ninety (90) days nor (except for shareholder proposals subject to Rule14a-8(e)(3) of the Exchange Act) more than one hundred and twenty (120) days prior to the date of such meeting or, if the first public announcement of the date of such meeting is less than 100 days prior to the date of such meeting, the 10th day following the date on which public announcement is first made of the date of the general meeting. In no event shall the adjournment or postponement of any general meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a Member's notice to the Secretary pursuant to this Article 86.3.
- 86.4. To be in proper written form, a Member's notice shall set forth as of the date of the notice and as to the Member giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (each, a Proponent and collectively, the Proponents) as to each matter such Member proposes to bring before the meeting:
- (a) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting;

- (b) the name and address, as they appear in the Register of Members, of each Proponent;
- (c) the class, series and number of Shares of the Company which are beneficially owned by each Proponent;
- (d) any material interest of the Member, or of any other person on whose behalf such business is raised, in such business;
- (e) a description of any agreement, arrangement or understanding (whether oral or in writing) with respect to such nomination or proposal between or among any Proponent and any of its affiliates or associates, and any others (including their names) acting in concert, or otherwise under the agreement, arrangement or understanding, with any of the foregoing;
- (f) a representation that the Proponents are holders of record or beneficial owners, as the case may be, of shares of the Company entitled to vote at the meeting and intend to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice (with respect to a notice under Article 151) or to propose the business that is specified in the notice (with respect to a notice under Article 86);
- (g) a representation as to whether the Proponents intend to deliver a proxy statement and form of proxy to holders of a sufficient number of holders of the Company's voting shares to elect such nominee or nominees (with respect to a notice under Article 151) or to carry such proposal (with respect to a notice under Article 86);
- (h) to the extent known by any Proponent, the name and address of any other Member supporting the proposal on the date of such Member's notice; and
- (i) a description of all Derivative Transactions by each Proponent during the previous twelve (12) month period, including the date of the transactions and the class, series and number of securities involved in, and the material economic terms of, such Derivative Transactions.

86.5. The Chairperson shall, if the facts warrant, determine and declare to the meeting that business was not properly brought before the meeting and in accordance with the provisions of this Article and, if he should so determine, he shall so declare to the meeting and any such business not properly brought before the meeting shall not be transacted.

- 87. Except where a greater majority is required by the Companies Act or where these Articles provide otherwise, any question proposed for a decision of the Members at any general meeting of the Company or a decision of any class of Members at a separate meeting of any class of Shares shall be decided by an Ordinary Resolution.
- 88. At any general meeting, a resolution put to the vote of the meeting shall be decided on a poll. The Board or the Chairperson may determine the manner in which the poll is to be taken and the manner in which the votes are to be counted.
- 89. A poll demanded on the election of the Chairperson or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the Chairperson of the meeting directs, and any business other than that on which a poll has been demanded may be proceeded with pending the taking of the poll.
- 90. No notice need be given of a poll not taken immediately. The result of the poll shall be deemed to be the resolution of the general meeting at which the poll was demanded. On a poll, a Member entitled to

more than one vote need not use all his or her votes or cast all the votes he or she uses in the same way.

91. If authorised by the Board, any vote taken by written ballot may be satisfied by a ballot submitted by electronic and/or telephonic transmission, provided that any such electronic or telephonic submission must either set forth or be submitted with information from which it can be determined that the electronic or telephonic submission has been authorised by the Member or proxy.
92. The Board may adopt such rules, regulations and procedures for the conduct of any meeting of the Members as it deems appropriate. Except to the extent inconsistent with any applicable rules, regulations or procedures adopted by the Board, the Chairperson of any meeting may adopt such rules, regulations and procedures for the meeting, and take such actions with respect to the conduct of the meeting, as the Chairperson of the meeting deems appropriate. The rules, regulations and procedures adopted may include, without limitation, ones that (i) establish an agenda or order of business, (ii) are intended to maintain order and safety at the meeting, (iii) contain limitations on attendance at or participation in the meeting to Members of record of the Company, their duly authorised proxies or such other persons as the Chairperson of the meeting shall determine, (iv) contain restrictions on entry to the meeting after the time fixed for its commencement and (v) limit the time allotted to Member questions or comments.

VOTES OF MEMBERS

93. Subject to any rights or restrictions for the time being attached to any class or classes of Shares, every Member present in person or by proxy shall have one vote for each Share registered in his or her name in the Register of Members.
94. In the case of joint holders of record the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members.
95. A Member of unsound mind, a Member who has made an enduring power of attorney, or in respect of whom an order has been made by any court, having jurisdiction in cases of unsound mind, may vote by his or her committee, donee of an enduring power of attorney, receiver, guardian or other person appointed by the foregoing court, and any such committee, donee of an enduring power of attorney, receiver, guardian or other persons appointed by the foregoing court may vote by proxy.
96. No Member shall be entitled to vote at any general meeting unless he or she is registered as a Member on the record date for such meeting.
97. No objection shall be raised to the qualification of any voter except at the general meeting or adjourned general meeting at which the vote objected to is given or tendered and every vote not disallowed at such general meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairperson of the general meeting whose decision shall be final and conclusive.
98. Unless the Board decides otherwise, no Member shall be entitled to be present or vote at any meeting either personally or by proxy until such Member has paid all calls due and payable on every Share held by him or her whether alone or jointly with any other person together with interest and expenses (if any) to the Company.
99. Section 193 of the Companies Act will not apply to the Company and no resolutions in writing may be validly passed by the members.

PROXIES AND CORPORATE REPRESENTATIVES

100. Votes may be given either personally or by proxy. A Member may appoint more than one proxy or the same proxy under one or more instruments to attend and vote at a meeting and may appoint a proxy to vote both in favour of and against the same resolution in such proportion as specified in the instrument appointing the proxy.
- 101.
- 101.1. Every Member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his or her behalf and may appoint more than one proxy to attend, speak and vote at the same meeting. The appointment of a proxy or corporate representative shall be in such form and may be accepted by the Company at such place and at such time as may be specified in the notice convening the meeting or in any other information sent to the Members by or on behalf of the Board in relation to the meeting, subject to applicable requirements of the United States Securities and Exchange Commission and any Exchange on which the Shares are listed.
- 101.2. Without limiting the foregoing, the Board or the Secretary may from time to time permit appointments of a proxy to be made by means of an electronic or internet communication or facility and may in a similar manner permit supplements to, or amendments or revocations of, any such electronic or internet communication or facility to be made. For the avoidance of doubt, such appointments of proxy made by electronic or internet communications (as permitted by the Board or the Secretary) will be deemed to be deposited at the place specified for such purpose once received by the Company. The Board or the Secretary may in addition prescribe the method of determining the time at which any such electronic or internet communication or facility is to be treated as deposited at the place specified for such purpose. The Board may treat any such electronic or internet communication or facility which purports to be or is expressed to be sent on behalf of a Member as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Member.
102. Any body corporate which is a Member of the Company may authorise such person or persons as it thinks fit to act as its representative at any meeting of the Company or of any class of Members of the Company and the person or persons so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he or she represents as that body corporate could exercise if it were an individual Member of the Company. The Company may require evidence from the body corporate of the due authorisation of such person or persons to act as the representative of the relevant body corporate.
103. An appointment of proxy relating to more than one meeting (including any adjournment thereof) having once been received by the Company for the purposes of any meeting shall not require to be delivered, deposited or received again by the Company for the purposes of any subsequent meeting to which it relates.
104. Receipt by the Company of an appointment of proxy in respect of a meeting shall not preclude a Member from attending and voting at the meeting or at any adjournment thereof which attendance and voting will automatically cancel any proxy previously submitted.
105. An appointment of proxy shall be valid, unless the contrary is stated therein, for any adjournment of the meeting as well as for the meeting to which it relates.
106. A vote given in accordance with the terms of an appointment of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the appointment of proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or transfer of the Share in respect of which the proxy was appointed or the authorisation of the representative to act was given, provided that no notice in writing (whether in electronic form or otherwise) of such death, insanity, revocation or transfer shall have been received by the Company at the registered office before the

commencement of the meeting or adjourned meeting at which the appointment of proxy is used or at which the representative acts.

107. The Board may send, at the expense of the Company and subject to applicable law (including the rules and regulations of the United States Securities and Exchange Commission), by post, electronic mail or otherwise, to the Members forms for the appointment of a proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative.

DIRECTORS

108. The number of Directors on the Board shall be not less than two (2) nor more than 13. The authorised number of Directors (within such fixed maximum and fixed minimum numbers) shall be determined solely by the Board and, for the avoidance of doubt, shall not require approval or ratification by the Company in general meeting.
109. The remuneration to be paid to the Directors shall be such remuneration as the Directors in their sole discretion shall determine. The Directors shall also be entitled to be paid their travelling, hotel and other expenses properly incurred by them in going to, attending and returning from meetings of the Directors, or any committee of the Directors, or general meetings of the Company, or otherwise in connection with the business of the Company, or to receive a fixed allowance in respect thereof as may be determined by the Board from time to time, or a combination partly of one such method and partly the other. The amount, rate or basis of the remuneration or expenses to be paid to the Directors shall not require approval or ratification by the Company in general meeting. A Director is expressly permitted (for the purposes of section 228(1)(d) of the Companies Act) to use the Company's property pursuant to or in connection with: the exercise or performance of his duties, functions and powers as Director or employee; the terms of any contract of service or employment or letter of appointment; and, or in the alternative, any other usage authorised by the Directors (or a person authorised by the Directors) from time to time; and including in each case for a Director's own benefit or for the benefit of another person.
110. The Board may approve additional remuneration to any Director undertaking any special work or services for, or undertaking any special mission on behalf of, the Company other than his or her ordinary routine work as a Director. Any fees paid to a Director who is also counsel or solicitor to the Company, or otherwise serves it in a professional capacity, shall be in addition to his or her remuneration as a Director.
111. The salary or remuneration of a Director appointed to hold employment or executive office may be a fixed sum of money, or wholly or in part governed by business done or profits made, or as otherwise decided by the Board (including, for the avoidance of doubt, by the Board acting through a duly authorised Board committee), and may be in addition to or instead of a fee payable to such Director for his or her services as Director pursuant to these Articles.
112. Members of special or standing committees may be allowed like compensation for service on any such committees or for attending committee meetings, or both.

DIRECTORS' AND OFFICERS' INTERESTS

113. A Director or an officer of the Company who is in any way, whether directly or indirectly, interested in a contract, transaction or arrangement or proposed contract, transaction or arrangement with the Company shall, in accordance with section 231 of the Companies Act, declare the nature of his or her interest at the first opportunity either (a) at a meeting of the Board at which the question of entering into the contract, transaction or arrangement is first taken into consideration, if the Director or officer of the Company knows this interest then exists, or in any other case, at the first meeting of the Board after learning that he or she is or has become so interested or (b) by providing a general notice to the Directors declaring that he or she is a Director or an officer of, or has an interest in, a person and is to

be regarded as interested in any transaction or arrangement made with that person, and after giving such general notice it shall not be necessary to give special notice relating to any particular transaction.

114. A Director may hold any other office or place of profit under the Company (other than the office of its Auditors) in conjunction with his or her office of Director for such period and on such terms as to remuneration and otherwise as the Board may determine.
115. Nothing in section 228(1)(e) of the Companies Act shall restrict a Director from entering into any commitment which has been approved by the Board or has been approved pursuant to such authority as may be delegated by the Board in accordance with these Articles. It shall be the duty of each Director to obtain the prior approval of the Board, before entering into any commitment permitted by sections 228(1)(e)(ii) and 228(2) of the Companies Act.
116. A Director may act by himself or herself or by his or her firm in a professional capacity for the Company (other than as its Auditors) and he or she or his or her firm shall be entitled to remuneration for professional services as if he or she were not a Director.
117. A Director may be or become a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of any other entity or otherwise interested in any entity promoted by the Company or in which the Company may be interested as member or otherwise, and no such Director shall be accountable to the Company for any remuneration or other benefits received by him or her as a Director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of such other entity; provided that he or she has declared the nature of his or her position with, or interest in, such entity to the Board in accordance with Article 113 and this has been approved by a majority of the disinterested Directors, notwithstanding the fact that the disinterested Directors may represent less than a quorum.
118. No person shall be disqualified from the office of Director or from being an officer of the Company or prevented by such office from contracting with the Company, either as vendor, purchaser or otherwise, nor shall any such contract or any contract or transaction entered into by or on behalf of the Company in which any Director or officer of the Company shall be in any way interested be or be liable to be avoided, nor shall any Director or officer of the Company so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or transaction by reason of such Director or officer of the Company holding office or of the fiduciary relation thereby established; provided that:
 - 118.1. he or she has declared the nature of his or her interest in such contract or transaction to the Board in accordance with Article 113; and
 - 118.2. the contract or transaction is approved by a majority of the disinterested Directors, notwithstanding the fact that the disinterested Directors may represent less than a quorum.
119. A Director may be counted in determining the presence of a quorum at a meeting of the Board which authorises or approves the contract, transaction or arrangement in which he or she is interested and he or she shall be at liberty to vote in respect of any contract, transaction or arrangement in which he or she is interested, provided that the nature of the interest of any Director in any such contract or transaction shall be disclosed by him or her in accordance with Article 113, at or prior to its consideration and any vote thereon.
120. For the purposes of Article 113:
 - 120.1. a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;

- 120.2. an interest of which a Director has no knowledge and of which it is unreasonable to expect him or her to have knowledge shall not be treated as an interest of his or hers; and
- 120.3. a copy of every declaration made and notice given under Article 113 shall be entered within three (3) days after the making or giving thereof in a book kept for this purpose. Such book shall be open for inspection without charge by any Director, Secretary, the Auditors or Member of the Company at the registered office and shall be produced at every general meeting of the Company and at any meeting of the Directors if any Director so requests in sufficient time to enable the book to be available at the meeting.

POWERS AND DUTIES OF DIRECTORS

121. The business of the Company shall be managed by the Directors, who may pay all expenses incurred in promoting and registering the Company and may exercise all such powers of the Company as are not, by the Companies Act or by these Articles, required to be exercised by the Company in general meeting, subject, nevertheless, to any of these Articles and to the provisions of the Companies Act. No resolution made by the Company in general meeting shall invalidate any prior act of the Directors that would have been valid if that resolution had not been made.
122. The Board shall have the power to appoint and remove officers and executives on such terms as the Board sees fit and to give such titles and delegate such responsibilities to those officers and executives as it sees fit.
123. The Company may exercise the powers conferred by section 44 of the Companies Act with regard to having an official seal for use abroad and such powers shall be vested in the Directors.
124. Unless otherwise ordered by the Board, the chief executive officer shall have the authority to exercise the voting powers conferred by shares of any other company held or owned by the Company in such manner in all respects as he or she thinks fit and in particular they may exercise their voting powers in favour of any resolution appointing the directors or any of them as director or officers of such other company or providing for the payment of remuneration or pensions to the directors or officers of such other company. The Board may from time to time confer like powers upon any other person or persons.
125. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for money paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, by such person or persons and in such manner as the Directors shall from time to time by resolution determine.
126. The Directors may from time to time authorise such person or persons as they see fit to perform all acts, including, without prejudice to the foregoing, to effect a transfer of any shares, bonds, or other evidences of indebtedness or obligations, subscription rights, warrants, and other securities in another company in which the Company holds an interest and to issue the necessary powers of attorney for the same; and each such person is authorised on behalf of the Company to vote such securities, to appoint proxies with respect thereto, and to execute consents, waivers and releases with respect thereto, or to cause any such action to be taken.
127. The Board may exercise all powers of the Company to borrow money and to mortgage or charge its undertaking, property and uncalled capital or any part thereof and to issue debentures, debenture stock, mortgages, bonds or such other securities whether outright or as security for any debt, liability or obligation of the Company or of any third party.
128. The Directors may procure the establishment and maintenance of or participate in, or contribute to, any non-contributory or contributory pension or superannuation fund, scheme or arrangement or life assurance scheme or arrangement for the benefit of, and pay, provide for or procure the grant of donations, gratuities, pensions, allowances, benefits or emoluments to any persons (including Directors or officers) who are or shall have been at any time in the employment or service of the Company or of

any company which is or was a subsidiary or holding company of the Company or of any predecessor in business of the Company or any such subsidiary or holding company and the wives, husbands, widows, widowers, families, relatives or dependants of any such persons. The Directors may also procure the establishment and subsidy of or subscription to and support of any institutions, associations, clubs, funds or trusts calculated to be for the benefit of any such persons as aforesaid or otherwise to advance the interests and well-being of the Company or of any such other company as aforesaid or its Members, and payments for or towards the issuance of any such persons as aforesaid and subscriptions or guarantees of money for charitable or benevolent objects or for any exhibition or for any public, general or useful object; provided that any Director shall be entitled to retain any benefit received by him or her under this Article 128, subject only, where the Companies Act require s, to disclosure to the Members and the approval of the Company in general meeting.

129. The Board may from time to time provide for the management of the affairs of the Company in such manner as it shall think fit and the specific delegation provisions contained in the Articles shall not limit the general powers conferred by these Articles.

MINUTES

130. The Board shall cause minutes to be made in books kept for the purpose of all (i) appointments of officers and committees made by the Board (ii) resolutions and proceedings at meetings of (a) the Company or of the holders of any class of Shares and (b) the Board and of committees of the Board, including in each case the names of the Directors and others present at each meeting. Any such minutes, if signed by the Chairperson of the meeting at which the proceedings were held or by the Chairperson of the next succeeding meeting or the Secretary, shall be prima facie evidence of the matters stated in them.

DELEGATION OF THE BOARD'S POWERS

131. The Board may delegate any of its powers (with power to sub-delegate) to any committee consisting of one or more Directors and/or (if thought fit) one or more other persons. The Board may also delegate to any Director, officer or member of the management of the Company or any of its subsidiaries such of its powers as it considers desirable to be exercised by him or her. The Board may also designate one or more persons as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. Any such delegation may be made subject to any conditions the Board may impose, and either collaterally with or to the exclusion of its own powers, and may be revoked or altered. Subject to any such conditions, the proceedings of a committee shall be governed by the Articles regulating the proceedings of Directors, so far as they are capable of applying. Each committee shall keep regular minutes and report to the Board when required. Unless otherwise determined by the Board, the quorum necessary for the transaction of any business at any committee meeting shall be a majority of the members of such committee. Where a provision of the Articles refers to the exercise of a power, authority or discretion by the Board and that power, authority or discretion has been delegated by the Board to a committee, the provision shall be construed as permitting the exercise of the power, authority or discretion by the committee.
132. The Board may, by power of attorney or otherwise, appoint any person to be the agent of the Company on such conditions as the Board may determine, provided that the delegation is not to the exclusion of its own powers and may be revoked by the Board at any time.
133. The Board may, by power of attorney or otherwise, appoint any company, firm, person or body of persons, whether nominated directly or indirectly by the Board, to be the attorney or authorised signatory of the Company for such purpose and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Articles) and for such period and subject to such conditions as they may think fit, and any such powers of attorney or other appointment may contain such provisions for the protection and convenience of persons dealing with any such attorneys or authorised signatories as the Board may think fit and may also authorise any such attorney

or authorised signatory to delegate all or any of the powers, authorities and discretions vested in him or her.

CHAIRPERSON AND EXECUTIVE OFFICERS

134. The Board may elect any Director as Chairperson of the Board and determine the period for which he or she is to hold office.
135. In addition to the Chairperson, the Directors and the Secretary, the Company may appoint such other officers, including executive officers, as the Board may from time to time determine and, without limitation to the foregoing, the Board may appoint any person (whether or not a Director) to fill the following positions: chief executive officer, chief financial officer, general counsel, president, treasurer and controller. Any person may hold more than one of the foregoing positions.
136. Any person elected or appointed pursuant to Articles 134 and 135 shall hold his or her office or other position for such period and on such terms as the Board may determine and the Board may revoke or vary any such election or appointment at any time by resolution of the Board. Any such revocation or variation shall be without prejudice to any claim for damages that such person may have against the Company or the Company may have against such person for any breach of any contract of service between him or her and the Company which may be involved in such revocation or variation. If any such office or other position becomes vacant for any reason, the vacancy may be filled by the Board.
137. Except as provided in the Companies Act or these Articles, the powers and duties of any person elected or appointed to any office or executive or official position pursuant to Articles 134 and 135 shall be such as are determined from time to time by the Board.
138. Any officer may resign at any time by giving written notice to the Company. The resignation is effective without acceptance when the notice is given to the Company, unless a later effective date is specified in the notice.
139. The use of the word "officer", "director" (save where the relevant person is a Director for the purposes of these Articles) (or similar words) in the title of any executive or other position shall not be deemed to imply that the person holding such executive or other position is an "officer" or "director" of the Company within the meaning of the Companies Act.

PROCEEDINGS OF DIRECTORS

140. Except as otherwise provided by these Articles, the Directors shall meet together for the despatch of business, convening, adjourning and otherwise regulating their meetings and procedures as they think fit. Questions arising at any meeting shall be decided by a majority of votes of the Directors present at a meeting at which there is a quorum. Each Director shall have one vote.
141. Regular meetings of the Board may be held at such times and places as may be provided for in resolutions adopted by the Board. No additional notice of a regularly scheduled meeting of the Board shall be required.
142. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors by at least 24 hours' notice (or, if notice is mailed, at least four calendar days' notice) in writing to every Director, unless notice is waived by all the Directors either at, before or after the meeting is held and, provided further, if notice is given in person, by telephone, cable, telex, telecopy or email, the same shall be deemed to have been given on the day it is delivered to the Directors or transmitting organisation, as the case may be. The accidental omission to give notice of a meeting of the Directors to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings of that meeting. The presence of a Director at a meeting of the Directors shall be deemed to be a waiver of any failure to give due notice of such meeting unless such Director states that he or she is not waiving any such failure promptly following the calling to order of such

meeting. Notice of a Board meeting shall be deemed to be duly given to a Director if it is given to such Director personally or by word of mouth or sent in writing to his or her last known address or any other address given to the Company by such Director for such purpose or given by electronic communications to an address for the time being notified to the Company by the Director. In this Article "address," in relation to documents in electronic form, includes any number or address used for the supply of documents in electronic form.

143. The quorum necessary for the transaction of the business of the Board shall be a majority of the Directors in office. If a quorum shall not be present at any meeting of the Board, the Directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.
144. The continuing Directors may act notwithstanding any vacancy in their body, but if and so long as their number is reduced below the number fixed by or pursuant to these Articles as the minimum number of Directors, the continuing Directors or Director may act for the purpose of increasing the number of Directors to that number, or of summoning a general meeting of the Company, but for no other purpose. If there are no Director or Directors able or willing to act, any two Members may summon a general meeting for the purpose of appointing Directors. Any Director so appointed shall hold office (subject to these Articles) only until the dissolution of the annual general meeting next following such appointment unless such Director is re-elected during such meeting.
145. If no Chairperson is elected, or if at any meeting the Chairperson is not present within five (5) minutes after the time appointed for holding the same, the Directors present may choose one of their number to be the Chairperson of the meeting or proceed without a Chairperson of the meeting.
146. All acts done by any meeting of the Directors or of a committee of Directors shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any Director, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and qualified to be a Director.
147. Members of the Board or of any committee thereof may participate in a meeting of the Board or of such committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other and participation in a meeting pursuant to this provision shall constitute presence in person at such meeting. Unless otherwise determined by the Directors, the meeting shall be deemed to be held at the place where the telephone call or similar communication was initiated.
148. A resolution or other document in writing (in electronic form or otherwise), signed (whether by electronic signature, advanced electronic signature or otherwise as approved by the Directors) by all the Directors entitled to receive notice of a meeting of Directors or of a committee of Directors, and to vote on the relevant resolution or matter, shall be as valid and effectual as if it had been passed at a meeting of Directors or (as the case may be) a committee of Directors duly convened and held and may consist of several documents in the like form each signed by one or more Directors, and such resolution or other document or documents when duly signed may be delivered or transmitted (unless the Directors shall otherwise determine either generally or in any specific case) by facsimile transmission, electronic mail or some other similar means of transmitting the content of documents.

RESIGNATION AND DISQUALIFICATION OF DIRECTORS

149. The office of a Director shall be vacated ipso facto:
- 149.1. on the death of a Director;
- 149.2. if he or she resigns his or her office, on the date on which notice of his or her resignation is delivered to the registered office or tendered at a meeting of the Board or on such later date as may be specified in such notice;

- 149.3. if he or she ceases to be a Director by virtue of any provision of the Companies Act, is removed from office pursuant to these Articles or the Companies Act or becomes prohibited by law from being a Director;
- 149.4. if he or she becomes bankrupt, has an interim receiving order made against him or her, makes any arrangement or compounds with his or her creditors generally or applies to the court for an interim order in connection with a voluntary arrangement under any legislation relating to insolvency;
- 149.5. if the health of the director is such that, in the opinion of a majority of the other Directors, he or she can no longer be reasonably regarded as possessing adequate decision making capacity;
- 149.6. in the case of a Director who holds executive office, his or her appointment to such office is terminated or expires and the Board resolves that such Director's office be vacated;
- 149.7. if he or she is absent, without permission of the Board, from Board meetings for six consecutive months and the Board resolves that his or her office be vacated; or
- 149.8. if the Director is requested to resign in writing by not less than a majority of the other Directors.
150. A resolution of the Board declaring a Director to have vacated office pursuant to this Article shall be conclusive as to the fact and grounds of vacation stated in the resolution.

APPOINTMENT, ROTATION AND NOMINATION OF DIRECTORS

- 151.
- 151.1. No person shall be appointed a Director unless nominated in accordance with the provisions of this Article 151. Nominations of persons for election to the Board at a general meeting may be made:
- (a) by or at the direction of the Board or a committee thereof;
 - (b) with respect to election at a general meeting, by any Member who holds Shares carrying the general right to vote at general meetings of the Company, who is a Member at the time of the giving of the required notice of the relevant general meeting provided for in these Articles and at the time of the relevant general meeting, and who has given timely and proper notice in writing to the Secretary in accordance with Article 151.2 and 151.3;
 - (c) with respect to election at an extraordinary general meeting requisitioned in accordance with section 178(3) of the Companies Act, by a Member or Members who hold Shares carrying the general right to vote at general meetings of the Company and who make such nomination in the written requisition of the extraordinary general meeting in accordance with these Articles, including Article 151.3, and the provisions of the Companies Act relating to nominations of Directors and the proper bringing of special business before an extraordinary general meeting,
- (sub-clauses (b) and (c) being the exclusive means for a Member to make nominations of persons for election to the Board).
- 151.2. For nominations of persons for election as Directors at a general meeting to be timely, a Member's notice must comply with the requirements of Article 86.2 or 86.3 (as applicable).
- 151.3. To be in proper written form, a Member's notice for nomination(s) of person(s) for election pursuant to Article 151.1(b), or in the case of nomination(s) of person(s) for election pursuant to

Article 151.1(c), a Member's written requisition of the extraordinary general meeting, must, in addition to any other applicable requirements, set forth:

- (a) as to each person whom the Member proposes to nominate for election or re-election as a Director, all information relating to such person that is required to be disclosed in solicitations for proxies for election of directors, or is otherwise required, in each case pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and
- (b) as to the Member giving the notice and each Proponent, the information required in Article 86.4.

- 151.4. The Chairperson of the meeting shall determine whether a nomination was made in accordance with the procedures prescribed by these Articles, and if he or she should determine that such nomination was not made in accordance with such procedures, he or she shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded. Any such ruling by the Chairperson of the meeting shall be final and conclusive.
- 151.5. The Company may require any proposed nominee to furnish such other information as it may reasonably require, including the completion of any questionnaires, to determine the eligibility of such proposed nominee to serve as a Director of the Company and the impact that such service would have on the ability of the Company to satisfy the requirements of laws, rules, regulations and listing standards applicable to the Company or its Directors.
- 152. The Directors shall be divided into three classes, designated Class I, Class II and Class III. The initial division of the Board into classes shall be made by the decision of the affirmative vote of a majority of the Directors in office and each class need not be of equal size or number.
 - 152.1. The term of the initial Class I directors shall terminate at the conclusion of the Company's 2019 annual general meeting; the term of the initial Class II directors shall terminate on the conclusion of the Company's 2020 annual general meeting; and the term of the initial Class III directors shall terminate on the conclusion of the Company's 2021 annual general meeting.
 - 152.2. At each of the subsequent annual general meetings of the Company beginning with the Company's 2019 annual general meeting, all of the Directors of the class of directors whose term expires on the conclusion of that annual general meeting shall retire from office, unless re-elected, and successors to that class of directors shall be elected for a three-year term.
 - 152.3. The resolution appointing any Director must designate the Director as a Class I, Class II or Class III Director.
 - 152.4. Every Director of the class retiring shall be eligible to stand for re-election at an annual general meeting.
 - 152.5. If the number of Directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of Directors in each class as nearly equal as possible or as the Chairman may otherwise direct. In no case will a decrease in the number of Directors shorten the term of any incumbent Director.
 - 152.6. A Director shall hold office until the conclusion of the annual general meeting for the year in which his term expires, subject however, to prior death, resignation, retirement, disqualification or removal from office.

- 152.7. Notwithstanding any other provision of these Articles, the Directors may appoint a person who is willing to act to be a Director, either to fill a casual vacancy or as an additional Director, provided that the appointment does not cause the number of Directors to exceed the number prescribed by the Board in accordance with Article 108. A casual vacancy will include, without limitation, a vacancy that results from the death, resignation, retirement, disqualification or removal of a Director.
- 152.8. Any Director of such class elected to fill a vacancy resulting from an increase in the number of Directors of such class shall hold office for a term that shall coincide with the remaining term of that class. Any Director elected to fill a vacancy not resulting from an increase in the number of Directors shall have the same remaining term as that of his predecessor.
153. Directors will be elected by way of Ordinary Resolution of the Company in general meeting, provided that if the number of Director nominees exceeds the number of Directors (as determined by the Board) to be elected at such meeting (a "contested election"), each of those nominees shall be voted upon as a separate resolution and the Directors shall be elected by a plurality of the votes of the Shares present in person or represented by proxy at any such meeting and entitled to vote on the election of Directors. For the purposes of this Article 153, "elected by a plurality" means the election of those Director nominees, equal in number to the number of positions to be filled at the relevant general meeting (as determined by the Board), that received the highest number of votes in the contested election. Cumulative voting is prohibited in the election of Directors.

REMOVAL OF DIRECTORS

154. The Company may, by Ordinary Resolution, of which notice has been given in accordance with section 146 of the Companies Act, remove any Director before the expiration of his or her period of office notwithstanding anything in these Articles or in any agreement between the Company and such Director. Such removal shall be without prejudice to any claim such Director may have for damages for breach of any contract of service between him or her and the Company.

SECRETARY

155. The Board shall appoint the Secretary and may appoint one or more persons to be a joint, deputy or Assistant Secretary at such remuneration (if any) and on such terms as the Board sees fit and any person so appointed may be removed by the Board at any time.
156. The duties of the Secretary shall be those prescribed by the Companies Act, together with such other duties as shall from time to time be prescribed by the Board, and in any case, shall include the making and keeping of records of the votes, doings and proceedings of all meetings of the Members and the Board of the Company, and committees, and the authentication of records of the Company.
157. A provision of the Companies Act or these Articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

SEAL

158. Company may, if the Board so determines, have a Seal (including any official seals kept pursuant to the Companies Act) which shall only be used by the authority of the Board or of a committee of the Board authorised by the Board in that regard and every instrument to which the Seal has been affixed shall be signed by any person who shall be either a Director or the Secretary or some other person authorised by the Board, either generally or specifically, for the purpose.
159. The Company may have for use in any place or places outside Ireland a duplicate Seal or Seals, each of which shall be a duplicate of the Seal of the Company, except, in the case of a seal for use in sealing documents creating or evidencing securities issued by the Company, for the addition on its face of the

word "Securities" and, if the Board so determines, with the addition on its face of the name of every place where it is to be used.

DIVIDENDS, DISTRIBUTIONS AND RESERVES

160. The Company in general meeting may by Ordinary Resolution declare dividends, but no dividends shall exceed the amount recommended by the Board. Subject to the Companies Act, the Board may, from time to time, pay such interim dividends as appear to it to be justified by the profits of the Company available for distribution. The Board may direct that any dividend declared by the Company in general meeting or by the Board in accordance with these Articles, may be paid wholly or partly by the distribution of specific assets and in particular of paid up shares, debentures or debenture stocks of any other company or in any one or more of such ways. Where any difficulty arises in regard to such distribution, the Board may settle the same as they think expedient, and in particular may issue fractional certificates or ignore fractions, fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any Members upon the footing of the value so fixed, in order to adjust the rights of all the parties, and may vest any such specific assets in trustees as may seem expedient to the Board.
161. Subject to the Companies Act, the Board may from time to time declare dividends (including interim dividends) and distributions on Shares outstanding and authorise payment of the same out of the funds of the Company lawfully available therefore and in any currency chosen at its discretion.
162. The Board may, before recommending or declaring any dividends or distributions, set aside such sums as it thinks proper as a reserve or reserves which shall, as directed by the Board, be applicable for any purpose of the Company and pending such application may, as directed by the Board, be employed in the business of the Company or be invested in such investments as the Directors may lawfully determine. The Directors may also, without placing the same to reserve, carry forward any profits which they may think it prudent not to dividend or distribute.
163. No dividend, interim dividend or distribution shall be paid otherwise than in accordance with the provisions of section 117 of the Companies Act.
164. Subject to the rights of persons, if any, entitled to Shares with special rights as to dividends or distributions, if dividends or distributions are to be declared on a class of Shares, they shall be declared and paid according to the amounts paid or credited as paid on the Shares of such class outstanding on the record date for such dividend or distribution as determined in accordance with these Articles.
165. The Directors may deduct from any dividend payable to any Member all sums of money (if any) immediately payable by him or her to the Company in relation to his or her Shares.
166. Any dividend, distribution, interest or other monies payable in cash in respect of Shares may be paid by cheque or warrant sent through the post, or sent by any electronic or other means of payment, directed to the registered address of the holder or, in the case of joint holders, to the holder who is first named on the Register of Members or to such person and to such address as such holder or joint holders may in writing direct. Every such cheque or warrant, electronic or other payment shall be made payable to the order of the person to whom it is sent and payment of the cheque or warrant shall be a good discharge to the Company. Any one of two or more joint holders may give effectual receipts for any dividends, bonuses, or other monies payable in respect of the Share held by them as joint holders. Any such dividend or other distribution may also be paid by any other method (including payment in a currency other than US\$, electronic funds transfer, direct debit, bank transfer or by means of a relevant system) which the Directors consider appropriate and any Member who elects for such method of payment shall be deemed to have accepted all of the risks inherent therein. The debiting of the Company's account in respect of the relevant amount shall be evidence of good discharge of the Company's obligations in respect of any payment made by any such methods.
167. No dividend or distribution shall bear interest against the Company.

168. All unclaimed dividends or other monies payable by the Company in respect of a Share may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. If the Directors so resolve, subject to applicable law, any dividend which has remained unclaimed for twelve (12) years from the date of its declaration shall be forfeited and cease to remain owing by the Company. The payment by the Directors of any unclaimed dividend or other monies payable in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof.
169. If, in respect of a dividend or other amount payable in respect of a Share (i) a cheque, warrant or money order is returned undelivered or left uncashed or (ii) a transfer made by or through a bank transfer system and/or other funds transfer system(s) fails or is not accepted, on two consecutive occasions, or one occasion and reasonable enquiries have failed to establish another address or account of the person entitled to the payment, the Company shall not be obliged to send or transfer a dividend or other amount payable in respect of such Share to such person until he or she notifies the Company of an address or account to be used for such purpose.

CAPITALISATION

170. Without prejudice to any powers conferred on the Directors as aforesaid, and subject to the Board's authority to issue and allot Shares under Article 7, the Board may:
- 170.1. resolve to capitalise an amount standing to the credit of reserves (including, without limitation, a share premium account, undenominated capital account, capital redemption reserve and profit and loss account), whether or not available for distribution;
 - 170.2. appropriate the sum resolved to be capitalised to the Members in proportion to the nominal amount of Shares held by them respectively and apply that sum on their behalf in or towards paying up in full unissued Shares or debentures of a nominal amount equal to that sum, and allot the Shares or debentures, credited as fully paid, to the Members (or as the Board may direct) in those proportions, or partly in one way and partly in the other, but the share premium account, undenominated capital account, capital redemption reserve and profits that are not available for distribution may, for the purposes of this Article 170, only be applied in paying up unissued Shares to be allotted to Members credited as fully paid;
 - 170.3. make any arrangements it thinks fit to resolve a difficulty arising in the distribution of a capitalised reserve, including that where Shares or debentures become distributable in fractions, the Board may deal with the fractions as it thinks fit;
 - 170.4. authorise a person to enter (on behalf of all the Members concerned) into an agreement with the Company providing for the allotment to the Members respectively, credited as fully paid, of Shares or debentures to which they may be entitled on the capitalisation and any such agreement made under this authority being effective and binding on all those Members; and
 - 170.5. generally do all acts and things required to give effect to the resolution of the Board.
171. Any such capitalisation will not require approval or ratification by the Members of the Company.

ACCOUNTS

172. The Board shall, in accordance with Chapter 2 of Part 6 of the Companies Act, cause to be kept adequate accounting records, whether in the form of documents, electronic form or otherwise, that:
- 172.1. correctly record and explain the transactions of the Company;
 - 172.2. will at any time enable the financial position of the Company to be determined with reasonable accuracy;

- 172.4. will record all sums of money received and expended by the Company and the matters in respect of which the receipt or expenditure takes place, all sales and purchases of goods by the Company and the assets and liabilities of the Company; and
- 172.5. will enable the financial statements of the Company to be readily and properly audited.
173. Accounting records shall be kept on a continuous and consistent basis and entries therein shall be made in a timely manner and be consistent from year to year. The Company may send by post, electronic mail or any other means of electronic communication a summary financial statement to its Members or persons nominated by any Member. The Company may meet, but shall be under no obligation to meet, any request from any of its Members to be sent additional copies of its full report and accounts or summary financial statement or other communications with its Members.
174. The accounting records shall be kept at the registered office of the Company or, subject to the provisions of the Companies Act, at such other place as the Directors think fit and shall be open at all reasonable times to the inspection of the Directors.
175. Accounting records shall not be deemed to be kept as required by Articles 172 to 174 if there are not kept such accounting records as are necessary to give a true and fair view of the state of the Company's affairs and to explain its transactions.
176. In accordance with the provisions of the Companies Act, the Board may from time to time cause to be prepared and to be laid before the Company in general meeting profit and loss accounts, balance sheets, group accounts (if any) and such other reports and accounts as may be required by law.
177. A copy of every balance sheet (including every document required by law to be annexed thereto) which is to be laid before the annual general meeting of the Company together with a copy of the Directors' report and Auditors' report shall be sent by post, electronic mail or any other means of communication (electronic or otherwise), not less than twenty-one (21) clear days before the date of the annual general meeting, to every person entitled under the provisions of the Companies Act to receive them; provided that in the case of those documents sent by electronic mail or any other means of electronic communication, such documents shall be sent with the consent of the recipient, to the address of the recipient notified to the Company by the recipient for such purposes.

AUDIT

178. Auditors shall be appointed and their duties regulated in accordance with Part 6, Chapter 18 of the Companies Act or any statutory amendment thereof, any other applicable law and such requirements not inconsistent with the Companies Act as the Board may from time to time determine.

179. Any notice to be given, served, sent or delivered pursuant to these Articles shall be in writing (whether in electronic form or otherwise).
- 179.1. A notice or document to be given, served, sent or delivered in pursuance of these Articles, and the annual report of the Company, may be given to, served on or delivered to any Director, Member or committee member by the Company:
- (a) by handing same to their authorised agent;

A notice or document may be sent by electronic means to the fullest extent permitted by the Companies Act.
- 179.2. For the purposes of these Articles and the Companies Act, a document, including the Company's financial statements and the directors' and auditor's reports thereon, shall be deemed to have been sent to a Director, Member or committee member if a notice is given, served, sent or delivered to the Director, Member or committee member and the notice specifies the website or hotlink or other electronic link at or through which the Director, Member or committee member may obtain a copy of the relevant document.
- 179.3. Where a notice or document is given, served or delivered pursuant to sub-paragraph 179.1(a) or 179.1(b) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the time the same was handed to the Director, Member or committee member or his or her authorised agent, or left at his or her registered address (as the case may be).

Where a notice or document is given, served or delivered pursuant to sub-paragraph 179.1(c) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of twenty-four (24) hours after the cover containing it was posted. In proving service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted.
- 179.5. Where a notice or document is given, served or delivered pursuant to sub-paragraph 179.1(d) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of forty-eight (48) hours after despatch.

- 179.8. Any requirement in these Articles for the consent of a Member in regard to the receipt by such Member of electronic mail or other means of electronic communications approved by the Directors, including the receipt of the Company's annual report, statutory financial statements and the Directors' and auditor's reports thereon, shall be deemed to have been satisfied where the Company has written to the Member informing him or her of its intention to use electronic communications for such purposes and the Member has not, within four (4) weeks of the issue of such notice, served an objection in writing on the Company to such proposal. Where a Member has given, or is deemed to have given, his/her consent to the receipt by such Member of electronic mail or other means of electronic communications approved by the Directors, she/he may revoke such consent at any time by requesting the Company to communicate with

- 179.9. Without prejudice to the provisions of sub-paragraphs 179.1 (a) and 179.1(b) of this Article, if at any time by reason of the suspension or curtailment of postal services in any territory, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a public announcement (as defined below) and such notice shall be deemed to have been duly served on all Members entitled thereto at noon (New York time) on the day on which the said public announcement is made. In any such case the Company shall put a full copy of the notice of the general meeting on its website. A "public announcement" shall mean disclosure in a press release reported by a financial news service or in a document publicly filed by the Company with the United States Securities and Exchange Commission pursuant to sections 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.
180. Notice may be given by the Company to the joint holders of a Share by giving the notice to the joint holder whose name stands first in the Register in respect of the Share and notice so given shall be sufficient notice to all the joint holders.
- 181.
- 181.1. Every person who becomes entitled to a Share shall, before his or her name is entered in the Register in respect of the Share, be bound by any notice in respect of that Share which has been duly given to a person from whom he or she derives his or her title.
- 181.2. A notice may be given by the Company to the persons entitled to a Share in consequence of the death or bankruptcy of a Member by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a Member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

183. A Member present, either in person or by proxy, at any meeting of the Company or the holders of any class of Shares in the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

- (c) the Company has not during the further period of three (3) months after the date of the advertisement and prior to the exercise of the power of sale received any communication from the Member or person entitled by transmission.

- 184.2. To give effect to any such sale, the Company may appoint any person to execute as transferor an instrument of transfer of such Share or stock and such instrument of transfer shall be as effective as if it had been executed by the Member or person entitled by transmission to such Share or stock. The Company shall account to the Member or other person entitled to such Share or stock for the net proceeds of such sale by carrying all monies in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such Member or other person. Monies carried to such separate account may either be employed in the business of the Company or invested in such investments (other than shares of the Company or its holding company if any) as the Directors may from time to time think fit.
- 184.3. To the extent necessary in order to comply with any laws or regulations to which the Company is subject in relation to escheatment, abandonment of property or other similar or analogous laws or regulations ("**Applicable Escheatment Laws**"), the Company may deal with any Share of any Member and any unclaimed cash payments relating to such Share in any manner which it sees fit, including transferring or selling such Share and transferring to third parties any unclaimed cash payments relating to such Share.
- 184.4. - 184.5. Any stock transfer form to be executed by the Company in order to sell or transfer a Share pursuant to Article 184.1 may be executed in accordance with Article 24.1.

DESTRUCTION OF DOCUMENTS

- 185. Subject to applicable law, the Company may destroy:

- 185.1. any dividend mandate or any variation or cancellation thereof or any notification of change of name or address, at any time after the expiry of two (2) years from the date such mandate variation, cancellation or notification was recorded by the Company;
- 185.2. any instrument of transfer of Shares which has been registered, at any time after the expiry of six (6) years from the date of registration; and
- 185.3. any other document on the basis of which any entry in the Register was made, at any time after the expiry of six (6) years from the date an entry in the Register was first made in respect of it;

and it shall be presumed conclusively in favour of the Company that every share certificate (if any) so destroyed was a valid certificate duly and properly sealed and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance

with the recorded particulars thereof in the books or records of the Company provided always that:

- (a) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company (by a Member or a court) that the preservation of such document was relevant to a claim;
- (b) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (a) above are not fulfilled; and
- (c) references in this Article to the destruction of any document include references to its disposal in any manner.

WINDING UP

186. If the Company shall be wound up and the assets available for distribution among the Members as such shall be insufficient to repay the whole of the paid up or credited as paid up share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the Shares held by them respectively. If in a winding up the assets available for distribution among the Members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the Members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said Shares held by them respectively. Notwithstanding the foregoing, this Article shall not affect the rights of the Members holding Shares issued upon special terms and conditions.

186.1. In case of a sale by the liquidator under section 601 of the Companies Act, the liquidator may by the contract of sale agree so as to bind all the Members, for the allotment to the Members directly, of the proceeds of sale in proportion to their respective interests in the Company and may further, by the contract, limit a time at the expiration of which obligations or Shares not accepted or required to be sold shall be deemed to have been irrevocably refused and be at the disposal of the Company, but so that nothing herein contained shall be taken to diminish, prejudice or affect the rights of dissenting Members conferred by the said section.

186.2. The power of sale of the liquidator shall include a power to sell wholly or partially for debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.

187. If the Company is wound up, the liquidator, with the sanction of a Special Resolution and any other sanction required by the Companies Act, may divide amongst the Members *in specie* or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value any assets and determine how the division shall be carried out as between the Members or different classes of Members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he or she determines, but so that no Member shall be compelled to accept any assets upon which there is a liability.

INDEMNITY

188.

188.1. Subject to the provisions of, and so far as may be permitted by, the Companies Act, every Director and Secretary shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him or her in the execution and discharge of his or her duties or in relation thereto, or in his or her capacity as an officer, including any

liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as a director, an officer or employee of the Company and in which judgement is given in his or her favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his or her part) or in which he or she is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.

- 188.2. As far as permissible under the Companies Act, the Company shall indemnify any current or former Official (excluding any Director or Secretary in respect only of their role as Director or Secretary of the Company) against expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the Enterprise in respect of which the Official serves or has served as an Official, to which he or she was, is, or is threatened to be, made a party by reason of the fact that he or she is or was such an Official, provided always that the indemnity contained in this Article 188.2 shall not extend to any matter which would render it void pursuant to the Companies Act.
- 188.3. In the case of any threatened, pending or completed action, suit or proceeding by or in the right of an Enterprise in respect of which a current or former Official serves or has served, the Company shall indemnify, to the fullest extent permitted by the Companies Act, each person indicated in Article 188.2 against expenses, including attorneys' fees actually and reasonably incurred in connection with the defence or the settlement thereof, except no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for fraud or dishonesty in the performance of his or her duty to the relevant Enterprise unless and only to the extent that the Court or the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the Court shall deem proper.
- 188.4. As far as permissible under the Companies Act, expenses, including attorneys' fees, incurred in defending any action, suit or proceeding referred to in this Article shall be paid by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of a written affirmation by or on behalf of the Director, Secretary, Official or other indemnitee of a good faith belief that the criteria for indemnification have been satisfied and a written undertaking to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Company as authorised by these Articles.
- 188.5. It being the policy of the Company that indemnification of the persons specified in this Article shall be made to the fullest extent permitted by law, the indemnification provided by this Article shall not be deemed exclusive (a) of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Memorandum, Articles, any agreement, any insurance purchased by the Company, any vote of Members or disinterested Directors, or pursuant to the direction (however embodied) of any court of competent jurisdiction, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, (b) of the power of any Enterprise to indemnify any Official, to the same extent and in the same situations and subject to the same determinations as are hereinabove set forth with respect to a Director, Secretary or Official or (c) of any amendments or replacements of the Companies Act which permit for greater indemnification of the persons specified in this Article and any such amendment or replacement of the Companies Act shall hereby be incorporated into these Articles. As used in this Article 188.5, references to the "Company" include all constituent companies in a consolidation or merger in which the Company or any predecessor to the Company by consolidation or merger was involved. The indemnification provided by this Article shall continue as to a person who has ceased to be a

Director, executive, officer or trustee and shall inure to the benefit of the heirs, executors, and administrators of such a person.

- 188.6. The Directors shall have power to purchase and maintain for any Director, the Secretary or other officers or employees of the Company insurance against any such liability as referred to in section 235 of the Companies Act and such insurance in respect of Officials as the Directors deem to be appropriate.
- 188.7. The Company may additionally indemnify any employee or agent of the Company or any director, executive, officer, employee or agent of any of its subsidiaries to the fullest extent permitted by law.

190. The Board is hereby expressly authorised to adopt any shareholder rights plan, or similar plan, agreement or arrangement pursuant to which, under circumstances provided therein, some or all Members will have rights to acquire Shares or interests in Shares, upon such terms and conditions as the Board deems expedient and in the best interests of the Company.

BUSINESS COMBINATION

191.

- 191.1. The Company may not engage in any business combination, or vote, consent, or otherwise act to authorise a subsidiary of the Company to engage in any business combination, with, with respect to, proposed by or on behalf of, or pursuant to any written or oral agreement, arrangement, relationship, understanding, or otherwise with, any interested Member of the Company or any affiliate or associate of the interested Member for a period of three (3) years following the date that the Member became an interested Member unless:
- (a) prior to the date that the Member became an interested Member, the business combination was approved by a committee of the Board formed in accordance with Article 191.3; or
 - (b) at or following the date that the Member became an interested Member, the business combination is approved by a committee of the Board formed in accordance with Article 191.3 and is authorized by a Special Resolution of the Members. In determining whether the Special Resolution has been adopted by the general meeting, votes cast with respect to Shares of interested Members and their affiliates and associates shall not be taken into account.
- 191.2. If a good faith definitive proposal regarding a business combination is made in writing to the Board, a committee of the Board formed in accordance with Article 191.3 shall consider and take action on the proposal and respond in writing within thirty (30) days after receipt of the proposal by the Company, setting forth its decision regarding the proposal.
- 191.3. When a business combination is proposed pursuant to this Article 191, the Board shall promptly form a committee composed solely of one or more disinterested Directors. The committee shall take action on the proposal by the affirmative vote of a majority of committee members. No larger proportion or number of votes shall be required. Notwithstanding anything in these Articles to the contrary, subject to applicable law, the

committee shall not be subject to any direction or control by the Board with respect to the committee's consideration of, or any action concerning, a business combination pursuant to this Article 191. If the Board has no disinterested Directors, the Board shall select three or more disinterested persons to be committee members. Committee members shall act in accordance with the standard of conduct applicable to the Directors and shall be indemnified in accordance with Article 188. For purposes of this Article 191.3, a Director or person is "disinterested" if the Director or person is neither an officer nor an employee, nor has been an officer or employee within five (5) years preceding the formation of the committee pursuant to this Article 191.3, of the Company or of a related company.

- 191.4. This Article 191 may only be amended by Special Resolution. In determining whether the relevant resolution has been approved by the requisite majority, votes cast with respect to Shares of interested Members and their affiliates and associates shall not be taken into account. Notwithstanding any such amendment, unless determined otherwise by the Board, this Article 191 (as it stands prior to any such amendment) shall apply to any business combination of the Company with an interested Member who became an interested Member before the effective date of the amendment of this Article 191.
- 191.5. As used in this Article 191 only, the term:
- (i) "affiliate" means a person that directly or indirectly controls, is controlled by, or is under common control with, a specified person;
 - (ii) "associate", when used to indicate a relationship with any person, means any of the following:
 - (a) any company of which the person is an officer or partner or is, directly or indirectly, the beneficial owner of fifteen percent (15%) or more of any class or series of shares entitled to vote or other equity interest;
 - (b) any trust or estate in which the person has a substantial beneficial interest or as to which the person serves as trustee or executor or in a similar fiduciary capacity; or
 - (c) any relative or spouse of the person, or any relative of the spouse, residing in the home of the person;
 - (iii) "beneficial owner", when used with respect to shares or other securities, includes, but is not limited to, any person who, directly or indirectly through any written or oral agreement, arrangement, relationship, understanding, or otherwise, has or shares the power to vote, or direct the voting of, the shares or securities or has or shares the power to dispose of, or direct the disposition of, the shares or securities, except that:
 - (a) a person shall not be deemed the beneficial owner of shares or securities tendered pursuant to a tender or exchange offer made by the person or any of the person's affiliates or associates until the tendered shares or securities are accepted for purchase or exchange; and
 - (b) a person shall not be deemed the beneficial owner of shares or securities with respect to which the person has the power to vote or direct the voting arising solely from a revocable proxy given in response to a proxy solicitation required to be made and made in accordance with the applicable rules and regulations under the Exchange Act and is not then reportable under that act on a Schedule 13D or comparable report, or, if the company is not subject to the rules and regulations under the Exchange Act, would have been required to be made and would not have been reportable if the company had been subject to the rules and regulations;

- (iv) "beneficial ownership" includes, but is not limited to, the right to acquire shares or securities through the exercise of options, warrants, or rights, or the conversion of convertible securities, or otherwise. The shares or securities subject to the options, warrants, rights, or conversion privileges held by a person shall be deemed to be outstanding for the purpose of computing the percentage of outstanding shares or securities of the class or series owned by the person, but shall not be deemed to be outstanding for the purpose of computing the percentage of the class or series owned by any other person. A person shall be deemed the beneficial owner of shares and securities beneficially owned by any relative or spouse of the person or any relative of the spouse, residing in the home of the person, any trust or estate in which the person owns fifteen percent (15%) or more of the total beneficial interest or serves as trustee or executor or in a similar fiduciary capacity, any company in which the person owns fifteen percent (15%) or more of the equity, and any affiliate of the person.

When two or more persons act or agree to act as a partnership, limited partnership, syndicate, or other group for the purposes of acquiring, owning, or voting shares or other securities of a company, all members of the partnership, syndicate, or other group are deemed to constitute a "person" and to have acquired beneficial ownership, as of the date they first so act or agree to act together, of all shares or securities of the company beneficially owned by the person;

- (v) "business combination" means any of the following:

- (a) any merger, acquisition, scheme of arrangement or amalgamation of the Company or any subsidiary of the Company with (1) the interested Member or (2) any other company (whether or not itself an interested Member of the Company) that is, or after the merger would be, an affiliate or associate of the interested Member, but excluding (x) the merger of a wholly owned subsidiary of the Company into the Company, (y) the merger of two or more wholly owned subsidiaries of the Company, or (z) the merger of a company, other than an interested Member or an affiliate or associate of an interested Member, with a wholly owned subsidiary of the Company pursuant to which the surviving company, immediately after the merger, becomes a wholly owned subsidiary of the Company;
- (b) any exchange of Shares or other securities of the Company or any subsidiary of the Company or money, or other property, for shares, other securities, money, or property of (1) the interested Member or (2) any other company (whether or not itself an interested Member of the Company) that is, or after the exchange would be, an affiliate or associate of the interested Member, but excluding the exchange of shares of a company, other than an interested Member or an affiliate or associate of an interested Member, pursuant to which the company, immediately after the exchange, becomes a wholly owned subsidiary of the Company;
- (c) any sale, lease, exchange, mortgage, pledge, transfer, or other disposition (in a single transaction or a series of transactions), other than sales of goods or services in the ordinary course of business, to or with the interested Member or any affiliate or associate of the interested Member, other than to or with the Company or a wholly owned subsidiary of the Company, of assets of the Company or any subsidiary of the Company (1) having an aggregate market value equal to ten percent (10%) or more of the aggregate market value of all the assets, determined on a consolidated basis, of the Company, (2) having an aggregate market value equal to ten percent (10%) or more of the aggregate market value of all the outstanding Shares of the Company, or (3) representing ten percent (10%) or more of the earning power or net income, determined on a consolidated basis, of the Company, except a cash dividend or distribution paid or made pro rata to all Members of the Company;

- (d) the issuance or transfer by the Company or any subsidiary of the Company (in a single transaction or a series of transactions) of any shares of, or other ownership interests in, the Company or any subsidiary of the Company that have an aggregate market value equal to five percent (5%) or more of the aggregate market value of all the outstanding Shares of the Company to the interested Member or any affiliate or associate of the interested Member, except pursuant to the exercise of warrants or rights to purchase shares offered, or a dividend or distribution paid or made, pro rata to all Members of the Company other than for the purpose, directly or indirectly, of facilitating or effecting a subsequent transaction that would have been a business combination if the dividend or distribution had not been made;
 - (e) the adoption of any plan or proposal for the liquidation or dissolution of the Company, or any reincorporation of the Company in another jurisdiction, proposed by or on behalf of, or pursuant to any written or oral agreement, arrangement, relationship, understanding, or otherwise with, the interested Member or any affiliate or associate of the interested Member;
 - (f) any reclassification of securities (including, without limitation, any bonus shares or share split, reverse share split, or other distribution of shares in respect of shares), recapitalisation of the Company, merger of the Company with any subsidiary of the Company, exchange of Shares of the Company with any subsidiary of the Company, or other transaction (whether or not with or into or otherwise involving the interested Member), proposed by or on behalf of, or pursuant to any written or oral agreement, arrangement, relationship, understanding, or otherwise with, the interested Member or any affiliate or associate of the interested Member, that has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class or series of shares entitled to vote, or securities that are exchangeable for, convertible into, or carry a right to acquire shares entitled to vote, of the Company or any subsidiary of the Company that is, directly or indirectly, owned by the interested Member or any affiliate or associate of the interested Member, except as a result of immaterial changes due to fractional share adjustments; or
 - (g) any receipt by the interested Member or any affiliate or associate of the interested Member of the benefit, directly or indirectly (except proportionately as a Member of the Company), of any loans, advances, guarantees, pledges, or other financial assistance, or any tax credits or other tax advantages provided by or through the Company or any subsidiary of the Company;
- (vi) "company" means a corporation, limited liability company, partnership, limited partnership, joint venture, association, business trust, estate, trust, enterprise, and any other legal or commercial entity;
 - (vii) "control", including the terms "controlling", "controlled by", and "under common control with", means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise. A person's beneficial ownership of fifteen percent (15%) or more of the voting power of a company's outstanding shares entitled to vote in the election of directors creates a presumption that the person has control of the company. Notwithstanding the foregoing, a person is not considered to have control of a company if the person holds voting power, in good faith, as an agent, bank, broker, nominee, custodian, or trustee for one or more beneficial owners who do not individually or as a group have control of the company;
 - (viii) "governing body" means the body of a company selected by its owners that has the ultimate power to determine the company's policies and control its activities;

- (ix) "interested Member" means any person (including for this purpose any persons acting in concert with that person (as that term is defined in the Takeover Rules issued pursuant to the Irish Takeover Panel Act 1997)) that is (1) the beneficial owner, directly or indirectly, of fifteen percent (15%) or more of the voting power of the outstanding Shares entitled to vote of the Company or (2) an affiliate or associate of the Company that, at any time within the three (3) year period immediately before the date on which it is sought to be determined whether such person is an interested Member, was the beneficial owner, directly or indirectly, of fifteen percent (15%) or more of the voting power of the then outstanding Shares entitled to vote of the Company.

If a person who has not been a beneficial owner of fifteen percent (15%) or more of the voting power of the outstanding Shares entitled to vote of the Company immediately prior to an acquisition of Shares by, or recapitalisation of, the Company or similar action shall become a beneficial owner of fifteen percent (15%) or more of the voting power solely as a result of the share acquisition, recapitalisation, or similar action, the person shall not be deemed to be the beneficial owner of fifteen percent (15%) or more of the voting power for purposes of (1) or (2) above, unless:

- (a) the share acquisition, recapitalisation, conversion, or similar action was proposed by or on behalf of, or pursuant to any agreement, arrangement, relationship, understanding, or otherwise (whether or not in writing) with, the person or any affiliate or associate of the person; or
 - (b) the person thereafter acquires beneficial ownership, directly or indirectly, of outstanding Shares entitled to vote of the Company and, immediately after the acquisition, is the beneficial owner, directly or indirectly, of fifteen percent (15%) or more of the voting power of the outstanding Shares entitled to vote of the Company.
- (x) an "interested Member" does not include:
- (a) the Company or any of its subsidiaries;
 - (b) a savings, employee stock ownership, or other employee benefit plan of the Company or its subsidiary, or a fiduciary of the plan when acting in a fiduciary capacity pursuant to the plan; or
 - (c) a licensed broker/dealer or licensed underwriter who (1) purchases Shares of the Company solely for purposes of resale to the public and (2) is not acting in concert with an interested Member.

Shares beneficially owned by a plan described in clause (b) or by a fiduciary of a plan described in clause (b), pursuant to the plan, are not deemed to be beneficially owned by a person who is a fiduciary of the plan;

- (xi) "market value", when used in reference to shares or other property of any company, means the following:
- (a) in the case of shares, the average closing sale price of a share during the thirty (30) trading days immediately preceding the date in question:
 - (1) on the composite tape for Nasdaq Stock Market listed shares; or
 - (2) if the shares are not quoted on the composite tape or not listed on the Nasdaq Stock Market, on the principal United States securities exchange registered under Exchange Act on which the shares are listed; or

(3) if the shares are not listed on any such exchange, on any system then in use.

If no quotation under clauses (1) through (3) is available, then the market value is the fair market value on the date in question of the shares as determined in good faith by the governing body of the company.

- (b) in the case of property other than cash or shares, the fair market value of the property on the date in question as determined in good faith by the governing body of the company.
- (xii) “parent” of a specified company means a company that directly, or indirectly through related companies, owns more than fifty percent (50%) of the voting power of the shares or other ownership interests entitled to vote for directors or other members of the governing body of the specified company;
- (xiii) “person” includes a natural person and a company;
- (xiv) “related company” of a specified company means:
 - (a) a parent or subsidiary of the specified company;
 - (b) another subsidiary of a parent of the specified company;
 - (c) a limited liability company owning, directly or indirectly, more than fifty percent (50%) of the voting power of the shares entitled to vote for directors of the specified company;
 - (d) a limited liability company having more than fifty percent (50%) of the voting power of its membership interests entitled to vote for members of its governing body owned directly or indirectly by the specified company;
 - (e) a limited liability company having more than fifty percent (50%) of the voting power of its membership interests entitled to vote for members of its governing body owned directly or indirectly either (1) by a parent of the specified company or (2) a limited liability company owning, directly or indirectly, more than fifty percent (50%) of the voting power of the shares entitled to vote for directors of the specified company; or
 - (f) a company having more than fifty percent (50%) of the voting power of its shares entitled to vote for directors owned directly or indirectly by a limited liability company owning, directly or indirectly, more than fifty percent (50%) of the voting power of the shares entitled to vote for directors of the specified company;
- (xv) “security” means a note, stock, treasury stock, security future, bond, debenture, evidence of indebtedness, certificate of interest or participation in a profit-sharing agreement, collateral trust certificate, preorganization certificate or subscription, transferable share, investment contract, voting trust certificate, certificate of deposit for a security, fractional undivided interest in oil, gas, or other mineral rights, put, call, straddle, option, or privilege on a security, certificate of deposit, or group or index of securities, including an interest therein or based on the value thereof, put, call, straddle, option, or privilege entered into on a national securities exchange relating to foreign currency, or, in general, an interest or instrument commonly known as a “security”; or a certificate of interest or participation in, temporary or interim certificate

for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing. The term:

- (a) includes both a certificated and an uncertificated security;
 - (b) does not include an insurance or endowment policy or annuity contract under which an insurance company promises to pay a fixed or variable sum of money either in a lump sum or periodically for life or other specified period;
 - (c) does not include an interest in a contributory or noncontributory pension or welfare plan subject to the United States Employee Retirement Income Security Act of 1974, as amended;
 - (d) includes as an "investment contract," among other contracts, an interest in a limited partnership and a limited liability company and an investment in a viatical settlement or similar agreement; and
 - (e) does not include any equity interest of a closely held corporation or other entity with not more than thirty-five (35) holders of the equity interest of such entity offered or sold pursuant to a transaction in which one hundred percent (100%) of the equity interest of such entity is sold as a means to effect the sale of the business of the entity if the transaction has been negotiated on behalf of all purchasers and if all purchasers have access to inside information regarding the entity before consummating the transaction; and
- (xvi) "subsidiary" of a specified company means a company having more than fifty percent (50%) of the voting power of its shares or other ownership interests entitled to vote for directors or other members of the governing body of the company owned directly, or indirectly through related companies, by the specified company.

**ITERUM THERAPEUTICS PUBLIC LIMITED COMPANY
AMENDED AND RESTATED 2018 EQUITY INCENTIVE PLAN**

1. GENERAL.

(a) Relationship to Prior Plan.

(i) This Plan is intended as the successor to the Iterum Therapeutics Public Limited Company (formerly Iterum Therapeutics Limited) 2015 Equity Incentive Plan (the “Prior Plan”) with respect to grants to Employees. From and after 12:01 a.m. Central time on the IPO Date, no additional awards will be granted under the Prior Plan, and any shares that would otherwise remain available for future grants under the Prior Plan as of 12:01 a.m. Central time on the IPO Date will cease to be available under the Prior Plan at such time. All Awards granted on or after 12:01 a.m. Central time on the IPO Date will be granted under this Plan. All awards granted under the Prior Plan will remain subject to the terms of the Prior Plan.

(ii) From and after 12:01 a.m. Central time on the IPO Date, any shares subject, at such time, to outstanding stock awards granted under the Prior Plan that (i) are no longer required to satisfy such awards because the awards will expire or terminate for any reason prior to exercise or settlement; (ii) are forfeited because of the failure to meet a contingency or condition required to vest such shares or otherwise return to the Company; or (iii) subject to compliance with Irish company law are reacquired, withheld (or not issued) to satisfy a tax withholding obligation in connection with an award or to satisfy the purchase price or exercise price of a stock award (such shares the “Returning Shares”) will immediately be added to the Share Reserve (as further described in Section 3(a) below) as and when such shares become Returning Shares, up to the maximum number set forth in Section 3(a) below.

(b) Eligible Award Recipients. The persons eligible to receive Awards are Employees.

(c) Available Awards. The Plan provides for the grant of the following Awards: (i) Incentive Stock Options, (ii) Nonstatutory Stock Options, (iii) Stock Appreciation Rights (iv) Restricted Stock Awards, (v) Restricted Stock Unit Awards, (vi) Performance Stock Awards, (vii) Performance Cash Awards, and (viii) Other Stock Awards.

(d) Purpose. The Plan, through the grant of Awards, is intended to help the Company secure and retain the services of eligible award recipients, provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and provide a means by which the eligible recipients may benefit from increases in value of the Ordinary Shares.

(e) Definitions. All capitalized terms in this document are defined in Section 13 below.

2. ADMINISTRATION.

(a) Administration by the Board. The Board will administer the Plan. The Board may delegate administration of the Plan to a Committee or Committees, as provided in Section 2(c). In addition, the Board or a Committee may appoint a Stock Plan Administrator with the authority to administer the day to day operations of the Plan, and to make decisions with respect to the Plan and Awards.

(b) Powers of the Board. The Board will have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine from time to time (A) which of the persons eligible under the Plan will be granted Awards; (B) when and how each Award will be granted; (C) what type or combination of types of Award will be granted; (D) the provisions of each Award granted (which need not be identical), including the time or times when a person will be permitted to exercise or otherwise receive cash or Ordinary Shares under the Stock Award; (E) the number of Ordinary Shares with respect to which a Stock Award shall be granted to each such person; and (F) the Fair Market Value applicable to a Stock Award.

(ii) To construe and interpret the Plan and Awards granted under it, to establish, amend and revoke rules and regulations for its administration, and to settle all controversies regarding the Plan and Awards granted under it. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Award Agreement or in the written terms of a Performance Cash Award, in a manner and to the extent it will deem necessary or expedient to make the Plan or Award fully effective.

(iii) To prohibit (or delegate to the Stock Plan Administrator the authority to prohibit) the exercise of any Option, SAR or other exercisable Award during a period of up to thirty days prior to the consummation of any pending share dividend, share split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to shareholders, or any other change affecting the Ordinary Shares or the share price of the Ordinary Shares, including any Corporate Transaction, for reasons of administrative convenience.

(iv) To accelerate the time at which an Award may be exercised or the time during which an Award or any part thereof will vest.

(v) To approve forms of Award Agreements for use under the Plan and to amend the terms of any one or more Awards, subject to any specified limits in the Plan that are not subject to Board discretion; provided however, that a Participant's rights under any Award will not be materially impaired by any such amendment unless (A) the Company requests the consent of the affected Participant, and (B) such Participant consents in writing. Notwithstanding the foregoing, and subject to the limitations of applicable law, if any, the Board may amend the terms of any one or more Awards without the affected Participant's consent (w) to maintain the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (x) to change the terms of an Incentive Stock Option, if such change results in impairment of the Stock Award solely because it impairs the qualified status of the Stock Award as an Incentive Stock Option under Section 422 of the Code; (y) to clarify the manner of exemption from, or to bring the Award into compliance with, Section 409A of the Code; or (z) to comply with other applicable laws.

(vi) To amend, suspend or terminate the Plan as provided by Section 10.

(vii) To effect, with the consent of any adversely affected Participant, (A) the alteration of the exercise, purchase or strike price of any outstanding Stock Award (unless this is in the context of a Capitalization Adjustment in which case Participant consent is not required); (B) the cancellation of any outstanding Stock Award and the grant in substitution therefor of a new (1) Option or SAR, (2) Restricted Stock Award, (3) Restricted Stock Unit Award, (4) Other Stock Award, (5) cash and/or (6) other valuable consideration determined by the Board, in its sole discretion, with any such substituted award (x) covering the same or a different number of Ordinary Shares as the cancelled Stock Award and (y) granted under the Plan or another equity or compensatory plan of the Company; or (C) any other action that is treated as a repricing under generally accepted accounting principles or applicable stock exchange rules.

For the avoidance of doubt, shareholder approval will not be required to give effect to any action approved by the Board pursuant to this Section 2(b) (vii).

(viii) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and any Affiliates and that are not in conflict with the provisions of the Plan or Awards.

(c) Delegation to Committee. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board will thereafter be to the Committee or subcommittee, as applicable). Any delegation of administrative powers will be reflected in resolutions, not inconsistent with the provisions of the Plan, adopted from time to time by the Board or Committee (as applicable). The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated. The Committee may consist solely of two or more Non-Employee Directors, in accordance with Rule 16b-3.

(d) Delegation to an Officer. Subject to compliance with Irish law, the Board may delegate to one or more Officers the authority to do one or both of the following: (i) designate Employees who are providing Continuous Service to the Company or any of its Subsidiaries who are not Officers to be recipients of Stock Awards and the terms thereof, and (ii) determine the number of Ordinary Shares to be subject to such Stock Awards granted to such Employees; provided, however, that the Board resolutions regarding such delegation shall specify the total number of Ordinary Shares that may be subject to the Stock Awards granted by such Officer and that such Officer may not grant a Stock Award to himself or herself. Notwithstanding the foregoing, the Board may not delegate authority to an Officer to determine the Fair Market Value of the Ordinary Shares.

(e) Effect of Board's Decision. All determinations, interpretations and constructions made by the Board in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons.

3. SHARES SUBJECT TO THE PLAN.

(a) Share Reserve.

(i) Subject to the provisions of this Section 3(a), and Section 9(a) relating to Capitalization Adjustments, the aggregate number of Ordinary Shares reserved for issuance pursuant to Stock Awards is 4,437,298 shares (the "Share Reserve"), which number shall include (i) any shares remaining for issuance pursuant to the Prior Plan as of the IPO Date and (ii) any Returning Shares. For clarity, the limit in this Section 3(a) is a limit on the number of Ordinary Shares that may be issued pursuant to the Plan. Accordingly, this Section 3(a) does not limit the granting of Stock Awards except as provided in Section 7(a).

(ii) In addition, subject to compliance with Irish law shares may be issued in connection with a merger or acquisition as permitted by, as applicable, NASDAQ Marketplace Rule 4350(i)(1)(A)(iii), NYSE Listed Company Manual Section 303A.08, AMEX Company Guide Section 711 or other applicable stock exchange rules, and such issuance shall not reduce the number of Ordinary Shares available for issuance under the Plan.

(b) Reversion of Shares to the Share Reserve. If subject to compliance with Irish law (i) any Ordinary Shares issued pursuant to a Stock Award are forfeited back to or repurchased by the Company or any Affiliate because of the failure to meet a contingency or condition required for the vesting of such Ordinary Shares, or (ii) any Ordinary Shares are cancelled in accordance with the cancellation and regrant provisions of Section 2(b)(vii), then the Ordinary Shares that are forfeited, repurchased or canceled shall revert to and again become available for issuance under the Plan. If any Ordinary Shares subject to a Stock Award are not delivered to a Participant because such Ordinary Shares are withheld for the payment of taxes pursuant to Section 8(g) or a Stock Award is exercised through a reduction of Ordinary Shares subject to the Stock Award (i.e., “net exercised”) or an appreciation distribution in respect of a Stock Appreciation Right is paid in Ordinary Shares, the number of Ordinary Shares subject to the Stock Award that are not delivered to the Participant shall remain available for subsequent issuance under the Plan. If the exercise price of any Stock Award is satisfied by tendering Ordinary Shares held by the Participant (either by actual delivery or attestation), then the number of Ordinary Shares so tendered shall remain available for issuance under the Plan.

(c) Incentive Stock Option Limit. Subject to the limit in Section 3(a), and Section 9(a) relating to Capitalization Adjustments, the aggregate maximum number of Ordinary Shares that may be issued pursuant to the exercise of Incentive Stock Options will be a number of Ordinary Shares equal to the number of Shares available for issuance under the Plan.

(d) Source of Shares. The Ordinary Shares issuable under the Plan shall be authorized but unissued or reacquired Ordinary Shares, including Ordinary Shares redeemed or repurchased by the Company or any Affiliate on the open market or otherwise, in accordance with applicable Irish law. For the avoidance of doubt, Ordinary Shares purchased by the Company in the open market or otherwise will not increase the number of Ordinary Shares available for issuance under the Plan.

4. ELIGIBILITY.

(a) Eligibility for Specific Stock Awards. Incentive Stock Options may be granted only to employees of the Company or a “parent corporation” or “subsidiary corporation” thereof (as such terms are defined in Sections 424(e) and 424(f) of the Code). Stock Awards other than Incentive Stock Options may be granted to any Employee.

(b) Ten Percent Shareholders. A Ten Percent Shareholder will not be granted an Incentive Stock Option unless the exercise price of such Option is at least 110% of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

5. PROVISIONS RELATING TO OPTIONS AND STOCK APPRECIATION RIGHTS.

Each Option or SAR will be in such form and will contain such terms and conditions as the Board deems appropriate. All Options will be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for Ordinary Shares purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, or if an Option is designated as an Incentive Stock Option but some portion or all of the Option fails to qualify as an Incentive Stock Option under the applicable rules, then the Option (or portion thereof) will be a Nonstatutory Stock Option. The provisions of separate Options or SARs need not be identical; provided, however, that each Award Agreement will conform to

(through incorporation of provisions hereof by reference in the applicable Award Agreement or otherwise) the substance of each of the following provisions:

(a) Term. Subject to the provisions of Section 4(b) regarding Ten Percent Shareholders, no Option or SAR will be exercisable after the expiration of 10 years from the date of its grant or such shorter period specified in the Award Agreement.

(b) Exercise Price. Subject to the provisions of Section 4(b) regarding Ten Percent Shareholders, the exercise or strike price of each Award will be not less than the greater of (i) the nominal value of an Ordinary Share or (ii) 100% of the Fair Market Value of the Ordinary Shares subject to the Option or SAR on the date the Stock Award is granted. Notwithstanding the foregoing, an Option or SAR may be granted with an exercise or strike price lower than 100% of the Fair Market Value of the Ordinary Shares subject to the Award if such Award is granted pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Corporate Transaction and in a manner consistent with the provisions of Section 409A of the Code and, if applicable, Section 424(a) of the Code, provided that in all cases it will not be less than the nominal value of an Ordinary Share. Each SAR will be denominated in Ordinary Share equivalents.

(c) Exercise and Purchase Price for Options. To exercise any outstanding Option, the Participant must provide written notice of exercise to the Company in the manner determined by the Stock Plan Administrator. The purchase price of Ordinary Shares acquired pursuant to the exercise of an Option may be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board will have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to use a particular method of payment. In all cases the Company shall require that the nominal value of each newly issued Ordinary Share is fully paid up. The permitted methods of payment are as follows:

(i) by cash, check, bank draft or money order payable to the Company;

(ii) pursuant to a program developed under Regulation T as promulgated by the U.S. Federal Reserve Board that, prior to the issuance of Ordinary Shares subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of Ordinary Shares;

(iv) if the option is a Nonstatutory Stock Option, by a “net exercise” arrangement pursuant to which the Company will reduce the number of Ordinary Shares issuable upon exercise by the largest whole number of Ordinary Shares with a Fair Market Value that does not exceed the aggregate exercise price; provided, however, that:

(1) the Company will accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole Ordinary Shares to be issued;

(2) irrespective of whether a “net exercise” arrangement is used, the nominal value of each newly issued Ordinary Shares will be fully paid up in cash; and

(3) Ordinary Shares will no longer be subject to an Option and will not be exercisable thereafter to the extent that (A) Ordinary Shares issuable upon exercise are used to pay the exercise price pursuant to the “net exercise,” (B) Ordinary Shares are delivered to the Participant as a result of such exercise, and (C) Ordinary Shares are withheld to satisfy tax withholding obligations;

(v) deduction from salary due and payable to an Employee by the Company or any Affiliate; or

(vi) in any other form of legal consideration that may be acceptable to the Board or the Stock Plan Administrator and permissible under applicable law.

(d) Exercise and Payment of a SAR. To exercise any outstanding SAR, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Award Agreement evidencing such SAR. The appreciation distribution payable on the exercise of a SAR will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the SAR) of a number of Ordinary Shares equal to the number of Ordinary Shares equivalents in which the Participant is vested under such SAR, and with respect to which the Participant is exercising the SAR on such date, over (B) the aggregate strike price of the number of Ordinary Shares equivalents with respect to which the Participant is exercising the SAR on such date. The appreciation distribution may be paid in Ordinary Shares, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Award Agreement evidencing such SAR. Where the SAR is settled using newly issued Ordinary Shares the Company shall require that the nominal value of each newly issued Ordinary Share is fully paid up.

(e) Transferability of Options and SARs. The Board may, in its sole discretion, impose such limitations on the transferability of Options and SARs as the Board will determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options and SARs will apply:

(i) Restrictions on Transfer. An Option or SAR will not be transferable except by will or by the laws of descent and distribution (or pursuant to subsections (ii) and (iii) below), and will be exercisable during the lifetime of the Participant only by the Participant; provided, however, that the Board or the Stock Plan Administrator may, in its sole discretion, permit transfer of the Option or SAR in a manner that is not prohibited by applicable tax and securities laws upon the Participant’s request. Except as explicitly provided in the Plan, neither an Option nor a SAR may be transferred for consideration.

(ii) Domestic Relations Orders. Subject to the approval of the Board or the Stock Plan Administrator, an Option or SAR may be transferred pursuant to the terms of a domestic relations order, official marital settlement agreement or other divorce or separation instrument which contains the information required by the Company to effect the transfer. If an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer.

(iii) Beneficiary Designation. Subject to the approval of the Board or the Stock Plan Administrator, a Participant may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Stock Plan Administrator and any broker designated by the Company to effect Option exercises, designate a third party who, in the event of the death of the Participant, will thereafter be entitled to exercise the Option or SAR and receive the Ordinary Shares or other consideration resulting from such exercise. In the absence of such a designation, upon the death of the Participant, the executor or administrator of the Participant’s estate will be entitled to exercise the Option or SAR and receive the Ordinary Shares or other consideration resulting from such exercise in accordance

with the Participants will or the laws of intestacy as applicable. However, the Company may prohibit designation of a beneficiary at any time, including due to any conclusion by the Company that such designation would be inconsistent with the provisions of applicable laws whether in the United States or any other jurisdiction in which a Participant resides.

(f) Vesting Generally. The total number of Ordinary Shares subject to an Option or SAR may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option or SAR may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of Performance Goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options or SARs may vary. The provisions of this Section 5(f) are subject to any Option or SAR provisions governing the minimum number of Ordinary Shares as to which an Option or SAR may be exercised.

(g) Termination of Continuous Service. If a Participant's Continuous Service terminates, the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise the vested portion of such Award as of the date of termination of Continuous Service) but only within such period of time following the termination of the Participant's Continuous Service as set forth in the Award Agreement. Unless otherwise provided in the Award Agreement, the Option or SAR will be exercisable for a period of three (3) months following a termination of a Participant's Continuous Service by the Company without Cause or by the Participant for any reason; provided, however that such post-termination exercise period will instead be for the twelve (12) month period following a termination due to the Participant's Disability or death. Additionally, if the Participant's death occurs within the applicable post-termination of Continuous Service period during which the Option was exercisable, the Option will be exercisable for a twelve (12) month period following the Participant's death. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR prior to the applicable deadline the Option or SAR will terminate.

(h) Automatic Extension of Termination Date. If the exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause and other than upon the Participant's death or Disability) would be prohibited at any time solely because the issuance of Ordinary Shares would violate the registration requirements under the Securities Act, then the Option or SAR will terminate on the earlier of (i) the expiration of a total period of time (that need not be consecutive) equal to the applicable post-termination exercise period after the termination of the Participant's Continuous Service during which the exercise of the Option or SAR would not be in violation of such registration requirements, and (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement. In addition, unless otherwise provided in a Participant's Award Agreement, if the sale of any Ordinary Shares received upon exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause) would violate the Company's insider trading policy, then the Option or SAR will terminate on the earlier of (i) the expiration of the period of time (that need not be consecutive) equal to the applicable post-termination exercise period after the termination of the Participant's Continuous Service during which the sale of the Ordinary Shares received upon exercise of the Option or SAR would not be in violation of the Company's insider trading policy, and (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement.

(i) Termination for Cause. Except as explicitly provided otherwise in a Participant's Award Agreement or other individual written agreement between the Company or any Affiliate and the Participant, if a Participant's Continuous Service is terminated for Cause, the Option or SAR will terminate immediately upon such Participant's termination of Continuous Service, and the Participant will be prohibited from exercising his or her Option or SAR from and after the date of such termination of Continuous Service.

(j) Non-Exempt Employees under U.S. Law. If an Option or SAR is granted to an Employee who is a non-exempt employee for purposes of the U.S. Fair Labor Standards Act of 1938, as amended, the Option or SAR will not be first exercisable for any Ordinary Shares until at least six months following the date of grant of the Option or SAR (although the Award may vest prior to such date). Consistent with the provisions of the U.S. Worker Economic Opportunity Act, (i) if such non-exempt Employee dies or suffers a Disability, (ii) upon a Corporate Transaction in which such Option or SAR is not assumed, continued, or substituted, (iii) upon a Change in Control, or (iv) upon the Participant's retirement (as such term may be defined in the Participant's Award Agreement in another agreement between the Participant and the Company, or, if no such definition, in accordance with the Company's then current employment policies and guidelines), the vested portion of any Options and SARs may be exercised earlier than six months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or SAR will be exempt from his or her regular rate of pay. To the extent permitted and/or required for compliance with the U.S. Worker Economic Opportunity Act to ensure that any income derived by a non-exempt employee in connection with the exercise, vesting or issuance of any shares under any other Stock Award will be exempt from the employee's regular rate of pay, the provisions of this Section 5(j) will apply to all Stock Awards and are hereby incorporated by reference into such Award Agreements.

(k) Incentive Stock Option Limitations. To the extent that the aggregate Fair Market Value (determined at the time of grant) of an Ordinary Share with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company and any Affiliates) exceeds U.S. \$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of an applicable Award Agreement.

(l) Whole Shares. Options and SARs may be exercised only with respect to whole shares.

(m) No Reload Options. No Option or SAR granted under the Plan shall contain any provision entitling the Participant to the automatic grant of additional Options or SARs in connection with any exercise of the original award.

(n) No Dividend Equivalents. No Option or SAR shall provide for the payment or accrual of dividend equivalents.

6. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS AND SARs.

(a) Restricted Stock Awards. Each Restricted Stock Award will be in such form and will contain such terms and conditions as the Board will deem appropriate. To the extent consistent with the Company's Constitution, at the Board's election, Ordinary Shares underlying a Restricted Stock Award may be (i) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse; or (ii) evidenced by a certificate, which certificate will be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Awards may change from time to time, and the terms and conditions of separate Restricted Stock Awards need not be identical; provided, however, that each Award Agreement will conform to (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A Restricted Stock Award may be awarded in consideration for (A) cash, check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or (C) any other form of legal consideration (including future services) that may be acceptable to the Board, in its sole discretion, and permissible under applicable law. In all cases the Company shall require that the nominal value of each newly issued Ordinary Share issued in satisfaction of a Restricted Stock Award is fully paid up.

(ii) Vesting. Ordinary Shares awarded under a Restricted Stock Award may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board and subject to compliance with Irish law.

(iii) Termination of Participant's Continuous Service. If a Participant's Continuous Service terminates, the Company may receive through a forfeiture condition or a repurchase right subject to compliance with Irish law, any or all of the Ordinary Shares held by the Participant that have not vested as of the date of termination of Continuous Service under the terms of the Award Agreement.

(iv) Transferability. Rights to acquire Ordinary Shares under the Restricted Stock Award will be transferable by the Participant only upon such terms and conditions as are set forth in the Award Agreement, as the Board will determine in its sole discretion, so long as Ordinary Shares awarded under the Restricted Stock Award remain subject to the terms of the Award Agreement.

(v) Dividends. An Award Agreement will provide that any dividends paid on Restricted Stock will be subject to the same vesting and forfeiture restrictions as apply to the shares subject to the Restricted Stock Award to which they relate.

(b) Restricted Stock Unit Awards. Each Restricted Stock Unit Award will be in such form and will contain such terms and conditions as the Board will deem appropriate. The terms and conditions of Restricted Stock Unit Awards may change from time to time, and the terms and conditions of separate Restricted Stock Unit Awards need not be identical; provided that each Restricted Stock Unit Award Agreement will conform to (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Ordinary Shares subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Ordinary Shares subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

(ii) Vesting. At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions on or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.

(iii) Payment. A Restricted Stock Unit Award may be settled by the delivery of Ordinary Shares, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. In all cases the Company shall require that the nominal value of each newly issued Ordinary Share issued in satisfaction of a Restricted Stock Unit Award is fully paid up.

(iv) Additional Restrictions. At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the Ordinary Shares (or their cash equivalent) subject to a Restricted Stock Unit Award to a time after the vesting of such Restricted Stock Unit Award.

(v) Dividend Equivalents. Dividend equivalents may be credited in respect of Ordinary Shares covered by a Restricted Stock Unit Award, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional Ordinary Shares covered by the Restricted Stock Unit Award in such manner as determined by the Board. Any such dividend equivalents will be subject to all of the same terms and conditions, including vesting and forfeiture provisions, of the underlying Award Agreement to which they relate.

(vi) Termination of Participant's Continuous Service. Except as otherwise provided in the applicable Award Agreement, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

(c) Performance Awards.

(i) Performance Stock Awards. A Performance Stock Award is a Stock Award that may vest or may be exercised contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Stock Award may, but need not, require the completion of a specified period of Continuous Service. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Committee, in its sole discretion. The Board may provide for or, subject to such terms and conditions as the Board may specify, may permit a Participant to elect for, the payment of any Performance Stock Award to be deferred to a specified date or event. In addition, to the extent permitted by applicable law and the applicable Award Agreement, the Board may determine that cash may be used in payment of Performance Stock Awards.

(ii) Performance Cash Awards. A Performance Cash Award is a cash award that may be paid contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Cash Award may also require the completion of a specified period of Continuous Service. At the time of grant of a Performance Cash Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Committee, in its sole discretion. The Committee may specify the form of payment of Performance Cash Awards, which may be cash or other property, or may provide for a Participant to have the option for his or her Performance Cash Award, or such portion thereof as the Board may specify, to be paid in whole or in part in cash or other property.

(iii) Board Discretion. The Board retains the discretion to amend the compensation or economic benefit due upon attainment of Performance Goals and to define the manner of calculating the Performance Criteria it selects to use for a Performance Period; provided that any Dividend equivalents with respect to Performance Stock Awards or Performance Cash Awards shall be subject to the same terms and conditions, including vesting and forfeiture provisions, of the underlying Award Agreement to which they relate.

(d) Other Stock Awards. Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Ordinary Shares, including the appreciation in value thereof (e.g., options or share rights with an exercise price or strike price less than 100% of the Fair Market Value of the Ordinary Shares at the time of grant) may be granted either alone or in addition to Stock Awards provided for under Section 5 and the preceding provisions of this Section 6. Subject to the provisions of the Plan, the Board will have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of Ordinary Shares (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards; *provided, however*, that where Ordinary Shares are issued pursuant to any Other Stock Award, the nominal value of each newly issued Ordinary Share is fully paid up; *and, provided, further, however, that* provided that any Dividend equivalents with respect to such other Stock Awards or shall be subject to the same terms and conditions of the underlying Award Agreement to which they relate.

7. COVENANTS OF THE COMPANY.

(a) Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the authorized but unissued Ordinary Shares reasonably required to satisfy such Stock Awards.

(b) Securities Law Compliance. The Company will seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell Ordinary Shares upon exercise of the Stock Awards; *provided, however*, that this undertaking will not require the Company to register under the Securities Act, the Plan, any Stock Award or any Ordinary Shares issued or issuable pursuant to any such Stock Award. If, after reasonable efforts and at a reasonable cost, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Ordinary Shares under the Plan, the Company will be relieved from any liability for failure to issue and sell Ordinary Shares upon exercise of such Stock Awards unless and until such authority is obtained. A Participant will not be eligible for the grant of a Stock Award or the subsequent issuance of cash or Ordinary Shares pursuant to the Stock Award if such grant or issuance would be in violation of any applicable securities law.

(c) No Obligation to Notify or Minimize Taxes. The Company and its Affiliates shall have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Stock Award. Furthermore, the Company and its Affiliates shall have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of a Stock Award or a possible period in which the Stock Award may not be exercised. The Company and its Affiliates have no duty or obligation to minimize the tax consequences of a Stock Award to the holder of such Stock Award.

8. GENERAL TERMS OF AWARDS.

(a) Use of Proceeds from Sales of Ordinary Shares. Proceeds from the sale of Ordinary Shares pursuant to Stock Awards will constitute general funds of the Company.

(b) Corporate Action Constituting Grant of Stock Awards. Corporate action constituting a grant by the Company of a Stock Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board consents, resolutions or minutes) documenting the corporate action constituting the grant contain terms (e.g., exercise price, vesting

schedule or number of shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the papering of the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.

(c) Shareholder Rights. No Participant will be deemed to be the holder of, or to have any of the rights of a holder with respect to, any Ordinary Shares subject to a Stock Award unless and until (i) such Participant has satisfied all requirements for exercise of, or the issuance of Ordinary Shares under, the Stock Award pursuant to its terms, and (ii) the issuance of the Ordinary Shares subject to the Stock Award has been entered into the books and records of the Company.

(d) No Employment or Other Service Rights. Nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto will confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or will affect any right that the Company or an Affiliate may have to terminate (i) the employment of an Employee with or without notice and with or without cause, subject to the employment laws of the country in which the Employee is employed, subject to any applicable provisions of the corporate law of the country or state in which the Company or the Affiliate is incorporated, as the case may be.

(e) Change in Time Commitment. In the event a Participant's regular level of time commitment in the performance of his or her services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an Employee of the Company and the Employee has a change in status from a full-time Employee to a part-time Employee or takes an extended leave of absence) after the date of grant of any Award to the Participant, the Board has the right in its sole discretion to (x) make a corresponding reduction in the number of shares subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (y) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

(f) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Ordinary Shares under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that the Participant is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Ordinary Shares subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Ordinary Shares. The foregoing requirements, and any assurances given pursuant to such requirements, will be inoperative if (A) the issuance of the shares upon the exercise or acquisition of Ordinary Shares under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (B) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on share certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Ordinary Shares.

(g) Withholding Obligations. Unless prohibited by the terms of an Award Agreement, the Company or any Affiliate may, in its sole discretion, but subject always to applicable law, satisfy any federal, state, local or foreign tax withholding obligation, or levies or social security deduction obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding Ordinary Shares from the Ordinary Shares issued or otherwise issuable to the Participant in connection with the Award; provided, however, that no Ordinary Shares are withheld with a value exceeding the maximum amount of tax, levies and social security contribution permitted to be withheld by law or the practice of any revenue authority (or such lesser amount as may be necessary to avoid classification of the Stock Award as a liability for financial accounting purposes); (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; or (v) by such other method as may be set forth in the Award Agreement.

(h) Electronic Delivery. Any reference herein to a “written” agreement or document will include any agreement or document delivered electronically, filed publicly at www.sec.gov (or any successor website thereto) or posted on the Company’s intranet (or other shared electronic medium controlled by the Company to which the Participant has access).

(i) Deferrals. To the extent permitted by applicable law, the Board, in its sole discretion, may determine that the delivery of Ordinary Shares or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals by Participants will be made in accordance with Section 409A of the Code. Consistent with Section 409A of the Code, the Board may provide for distributions while a Participant is still an employee or otherwise providing services to the Company or an Affiliate. The Board is authorized to make deferrals of Awards and determine when, and in what annual percentages, Participants may receive payments, including lump sum payments, following the Participant’s termination of Continuous Service, and implement such other terms and conditions consistent with the provisions of the Plan and in accordance with applicable law.

(j) Compliance with Section 409A of the Code. To the extent that the Board determines that any Award granted hereunder is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code. If required for compliance with Section 409A of the Code, in no event will a Corporate Transaction or a Change in Control, as applicable, be deemed to have occurred if such transaction is not also a “change in the ownership or effective control of” the Company or “a change in the ownership of a substantial portion of the assets of” the Company as determined under Treasury Regulation Section 1.409A-3(i)(5) (without regard to any alternative definition thereunder). Notwithstanding anything to the contrary in the Plan (and unless the Award Agreement specifically provides otherwise), if the Ordinary Shares are publicly traded, and if a Participant holding an Award that constitutes “deferred compensation” under Section 409A of the Code is a “specified employee” for purposes of Section 409A of the Code, no distribution or payment of any amount that is due because of a “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) will be issued or paid before the date that is six months following the date of such Participant’s “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) or, if earlier, the date of the Participant’s death, unless such distribution or payment can be made in a manner that complies with Section 409A of the Code, and any amounts so deferred will be paid in a lump sum on the day after such six month period elapses, with the balance paid thereafter on the original schedule.

(k) Clawback/Recovery. All Awards granted under the Plan will be subject to recoupment in accordance with any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Board determines necessary or appropriate, including but not limited to a reacquisition right in respect of previously acquired Ordinary Shares or other cash or property upon the occurrence of an event constituting Cause. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with the Company or an Affiliate.

(l) Securities Compliance. A Participant will not be issued any shares in respect of an Award unless either (i) the shares are registered under the Securities Act; or (ii) the Company has determined that such issuance would be exempt from the registration requirements of the Securities Act. Each Award also must comply with other applicable laws and regulations governing the Award, and a Participant will not receive such shares if the Company determines that such receipt would not be in material compliance with such laws and regulations.

(m) Effect on Other Benefit Plans. The value of any Award granted under the Plan, as determined upon grant, vesting or settlement, will not be included as compensation, earnings, salaries, or other similar terms used when calculating any Participant's benefits under any employee benefit plan sponsored by the Company or any Affiliate, except as such plan otherwise expressly provides. The Company expressly reserves its rights to amend, modify, or terminate any of the Company's or any Affiliate's benefit plans.

9. ADJUSTMENTS UPON CHANGES IN ORDINARY SHARES; OTHER CORPORATE EVENTS.

(a) Capitalization Adjustments. In the event of a Capitalization Adjustment, the Board will appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 3(a), (ii) the class(es) and maximum number of securities that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 3(c), and (iii) the class(es) and number of securities and price per share subject to outstanding Awards. The Board will make such adjustments, and its determination will be final, binding and conclusive; provided always that no adjustment may be made which reduces the price payable per Ordinary Share to an amount that is lower than the nominal value of an Ordinary Share.

(b) Dissolution. Except as otherwise provided in the Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Stock Awards (other than Stock Awards consisting of vested and outstanding Ordinary Shares not subject to a forfeiture condition or the Company's or any Affiliate's right of repurchase) will terminate immediately prior to the completion of such dissolution or liquidation, and the Ordinary Shares subject to the Company's or any Affiliate's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company or an Affiliate in accordance with Irish company law notwithstanding the fact that the holder of such Stock Award is providing Continuous Service, provided, however, that the Board may, in its sole discretion, cause some or all Stock Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Stock Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(c) Corporate Transaction. Notwithstanding any other provision of the Plan, the Board may take one or more of the following actions in the event of a Corporate Transaction with respect to Stock Awards, contingent upon the closing or completion of the Corporate Transaction, unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the Participant or unless otherwise expressly provided by the Board at the time of grant of a Stock Award:

(i) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Stock Award or to substitute a similar stock award for the Stock Award (including, but not limited to, an award to acquire the same consideration paid to the shareholders of the Company pursuant to the Corporate Transaction);

(ii) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Ordinary Shares issued pursuant to the Stock Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);

(iii) accelerate the vesting, in whole or in part, of the Stock Award (and, if applicable, the time at which the Stock Award may be exercised) to a date prior to the effective time of such Corporate Transaction as the Board determines (or, if the Board does not determine such a date, to the date that is five days prior to the effective date of the Corporate Transaction), with such Stock Award terminating if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction; provided, however, that the Board may require Participants to complete and deliver to the Company a notice of exercise before the effective date of a Corporate Transaction, which exercise is contingent upon the effectiveness of such Corporate Transaction; provided, however, that the Board may require Participants to complete and deliver to the Company a notice of exercise before the effective date of a Corporate Transaction;

(iv) arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by the Company with respect to the Stock Award;

(v) cancel or arrange for the cancellation of the Stock Award, to the extent not vested or not exercised prior to the effective time of the Corporate Transaction, in exchange for no consideration (U.S. \$0) or such cash consideration, if any, as the Board, in its sole discretion, may consider appropriate; and

(vi) cancel or arrange for the cancellation of the Stock Award, to the extent not exercised prior to the effective time of the Corporate Transaction, in exchange for a payment, in such form as may be determined by the Board equal to the excess, if any, of (A) the per share amount (or value of property per share) payable to holders of Ordinary Shares in connection with the Corporate Transaction, over (B) the per share exercise price under the applicable Stock Award, multiplied by the number of vested shares subject to the Stock Award. For clarity, this payment may be zero (U.S. \$0) if the amount per share (or value of property per share) payable to the holders of Ordinary Shares is equal to or less than the per share exercise price of the Stock Award. In addition, any escrow, holdback, earnout or similar provisions in the definitive agreement for the Corporate Transaction may apply to such payment to the holder of the Stock Award to the same extent and in the same manner as such provisions apply generally to the holders of Ordinary Shares.

The Board need not take the same action or actions with respect to all Stock Awards or portions thereof or with respect to all Participants. The Board may take different actions with respect to the vested and unvested portions of a Stock Award.

(d) Acceleration on a Qualifying Termination in Connection with a Change in Control. If during the period beginning on the date that is 30 days prior to and ending on the date that is 12 months following the consummation of a Corporate Transaction that also qualifies as a Change in Control, (i) a Participant's services to the Company (or its successor in the Change in Control) in all capacities are involuntarily terminated without Cause, or (ii) a Participant resigns service to the Company (or its successor in the Change in Control) in all capacities for Good Reason, and in either case other than as a result of death or Disability, then as of the date of Participant's termination of Continuous Service, the vesting and exercisability of any then-unvested Stock Award held by a Participant shall be accelerated in full.

10. AMENDMENT, TERMINATION SUSPENSION OF THE PLAN OR ADOPTION OF SUB-PLANS.

(a) Plan Term. The Board may suspend or terminate the Plan at any time. No Incentive Stock Options may be granted after the tenth anniversary of the earlier of (i) the Adoption Date and (ii) the Effective Date. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) Amendments. To amend the Plan in any respect the Board deems necessary or advisable. However, except as provided in Section 9(a) relating to Capitalization Adjustments, to the extent required by applicable law or listing requirements, shareholder approval shall be required for any amendment of the Plan that either (A) materially increases the number of Ordinary Shares available for issuance under the Plan, (B) materially expands the class of individuals eligible to receive Awards under the Plan, (C) materially increases the benefits accruing to Participants under the Plan or materially reduces the price at which Ordinary Shares may be issued or purchased under the Plan, (D) materially extends the term of the Plan, or (E) expands the types of Awards available for issuance under the Plan. Except as provided above, rights under any Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

(c) No Impairment of Rights. Amendment, suspension or termination of the Plan will not materially impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant or as otherwise permitted in the Plan.

(d) Sub-Plans. The Board shall be entitled to adopt sub-plans to the Plan pursuant to which Awards may be made on such terms and conditions different from those specified in the Plan as may, in the judgment of the Board, be necessary or desirable in order to recognize differences in local law, tax policy or practices, subject to any required shareholder approval as contemplated in Section 9(b).

11. EFFECTIVE DATE OF PLAN.

The Amended and Restated 2018 Equity Incentive Plan will become effective on the date of the Company's 2020 Annual General Meeting of Shareholders, provided that the shareholders approve the Plan at such meeting (the "Effective Date").

12. CHOICE OF LAW.

This Plan shall be governed by and construed in accordance with the Irish Companies Act 2014 (as same may be amended, replaced and/or consolidated in the future) as to matters within the scope thereof, and as

to all other matters shall be governed by and construed in accordance with the internal laws of the State of Delaware, without regard to its principles of conflicts of laws.

13. **DEFINITIONS.** As used in the Plan, the following definitions will apply to the capitalized terms indicated below:

- (b) **“Affiliate”** means, at the time of determination, any “parent” or “majority-owned subsidiary” of the Company, as such terms are defined in Rule 405 of the Securities Act or, as the context so requires, means a “holding company” or “subsidiary” of the Company as such terms are defined in Irish company law. The Board will have the authority to determine the time or times at which “parent” or “subsidiary” status is determined within the foregoing definition.
- (c) **“Award”** means a Stock Award or a Performance Cash Award.
- (d) **“Award Agreement”** means a written agreement between the Company and a Participant evidencing the terms and conditions of an Award.
- (e) **“Board”** means the Board of Directors of the Company.
- (f) **“Capitalization Adjustment”** means any change that is made in, or other events that occur with respect to, the Ordinary Shares subject to the Plan or subject to any Stock Award after the Effective Date without the receipt of consideration by the Company through merger, consolidation, reorganization, recapitalization, reincorporation, share dividend, dividend in property other than cash, large nonrecurring cash dividend, share split or reverse share split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure, or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto). Notwithstanding the foregoing, the conversion of any convertible securities of the Company will not be treated as a Capitalization Adjustment.
- (g) **“Cause”** will have the meaning ascribed to such term in any written agreement between the Participant and the Company defining such term and, in the absence of such agreement, such term means, with respect to a Participant, the occurrence of any of the following events: (i) such Participant’s commission of any felony or any crime involving fraud, dishonesty or moral turpitude under the laws of the United States or any state thereof or any country in which a Participant is employed; (ii) such Participant’s attempted commission of, or participation in, a fraud or act of dishonesty against the Company or an Affiliate; (iii) such Participant’s intentional, material violation of any contract or agreement between the Participant and the Company or an Affiliate, of any statutory duty owed to the Company or an Affiliate; (iv) such Participant’s unauthorized use or disclosure of the confidential information or trade secrets of the Company or an Affiliate; or (v) such Participant’s gross misconduct. The determination that a termination of the Participant’s Continuous Service is either for Cause or without Cause will be made by the Company, in its sole discretion. Any determination by the Company that the Continuous Service of a Participant was terminated with or without Cause for the purposes of outstanding Stock Awards held by such Participant will have no effect upon any determination of the rights or obligations of the Company or an Affiliate or such Participant for any other purpose.

(h) “**Change in Control**” means the consummation, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company’s then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company’s securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, or (C) solely because the level of Ownership held by any Exchange Act Person (the “Subject Person”) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company or any Affiliate reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company or any Affiliate, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the shareholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than 50% of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iii) the shareholders of the Company approve or the Board approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company shall otherwise occur, except for a liquidation into a parent corporation;

(iv) a sale, lease, exclusive license or other disposition of all or substantially all (as determined by the Board in its sole discretion) of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than 50% of the combined voting power of the voting securities of which are Owned by shareholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(v) individuals who, on the date the Plan is adopted by the Board, are members of the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

For the avoidance of doubt, any one or more of the above events may be effected pursuant to (i) a compromise or arrangement sanctioned by the Irish courts under section 450 of the Irish Companies Act 2014 (as may be amended, updated or replaced from time to time) (the “2014 Act”) or (ii) a scheme, contract or offer which has become binding on all shareholders pursuant to Section 609 of the 2014 Act, or (iii) a bid pursuant to Regulation 23 or 24 of the European Communities (Takeover Bids (Directive 2004/25/EC)) Regulations 2006.

Notwithstanding the foregoing or any other provision of this Plan, (A) the term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, and (B) the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Awards subject to such agreement; provided, however, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee or Director or a change in the Entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, will not terminate a Participant’s Continuous Service; provided, however, that if the Entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Board in its sole discretion, such Participant’s Continuous Service will be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. To the extent permitted by law, the Board, the chief executive officer of the Company (or an Affiliate, if applicable) or the Stock Plan Administrator, in that party’s sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any leave of absence approved by the Company (or an Affiliate, if applicable), including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company’s (or an Affiliate’s, if applicable) leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.

(m) “**Corporate Transaction**” means the consummation, in a single transaction or in a series of related transactions, of any one or more of the following events:

(ii) a sale or other disposition of at least 50% of the outstanding securities of the Company;

(iii) a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or

(iv) a merger, consolidation or similar transaction following which the Company is the surviving corporation but the Ordinary Shares outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise.

For the avoidance of doubt, any one or more of the above events may be effected pursuant to (x) a takeover under Irish takeover rules; (y) a compromise or arrangement under Chapter 1 of Part 9 of the 2014 Act or (z) Chapter 2 of Part 9 of the 2014 Act.

ITERUM THERAPEUTICS PUBLIC LIMITED COMPANY
2018 EQUITY INCENTIVE PLAN – SUB PLAN FOR NON-EMPLOYEE DIRECTORS AND CONSULTANTS

1 ESTABLISHMENT AND PURPOSE

This sub-plan is established by the Board in accordance with Section 10(d) of the Iterum Therapeutics Public Limited Company Amended and Restated 2018 Incentive Plan (the “Plan”) for the purposes of granting Awards to Non—Employee Directors and Consultants of Iterum Therapeutics Public Limited Company and its Subsidiaries. This sub-plan shall be known as the “NED and Consultant Sub-Plan” or “Sub-Plan”.

2 RULES

2.1 The provisions of the Plan shall apply in their entirety to Awards made under this Sub-Plan save and except only as set out in Sections 3 and 4 below. Capitalized terms contained in this Sub-Plan that are not defined herein shall have the same meanings given to them in the Plan.

2.2 The terms of this Sub-Plan shall also apply to Awards originally granted under the Plan to Employees, if such individual subsequently experiences a change in status from an Employee to either a Consultant or a Non-Employee Director without a break in Continuous Service.

2.3 For clarity, any Awards granted under this Sub-Plan will be deemed to be granted from the Plan for purposes of reducing the number of shares available under the Share Reserve. Shares subject to Awards that are forfeited, cancelled or expire in the manner contemplated by Section 3(b) of the Plan will be added back to the Share Reserve as provided therein.

3 DEFINITIONS

3.1 The following definition shall be inserted for the purposes of this Sub-Plan:

“Consultant” means any person, including an advisor, who is (i) engaged by the Company or an Affiliate to render consulting or advisory services and is compensated for such services, or (ii) serving as a member of the board of directors of an Affiliate and is compensated for such services. However, service solely as a Non-Employee Director, or payment of a fee for such service, will not cause a Non-Employee Director to be considered a “Consultant” for purposes of the Plan. Notwithstanding the foregoing, a person is treated as a Consultant under this Plan only if a Form S-8 Registration Statement under the Securities Act is available to register either the offer or the sale of the Company’s securities to such person;

3.2 The following definitions shall be deleted and replaced with the following for the purposes of this Sub-Plan:

“Continuous Service” means that the Participant’s service with the Company or an Affiliate, whether as a Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as Director or Consultant or a change in the Entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, will not terminate a Participant’s Continuous Service; provided, however, that if the Entity for which a Participant is rendering services ceases to

qualify as an Affiliate, as determined by the Board in its sole discretion, such Participant's Continuous Service will be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. To the extent permitted by law, the Board, the chief executive officer of the Company (or an Affiliate, if applicable) or the Stock Plan Administrator, in that party's sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any interruption of service approved by the Company (or an Affiliate, if applicable), including sick leave, interruption of service or any other personal leave, or (ii) transfers of service between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company's (or an Affiliate's, if applicable) leave of absence policy, in the written terms of any agreement or policy applicable to the Participant, or as otherwise required by law;

"Good Reason" will have the meaning ascribed to such term in any written agreement between the Participant and the Company or a successor corporation defining such term and, in the absence of such agreement, such term means, with respect to a Participant, any of the following actions taken without Cause without Participant's consent:

(i) a material reduction of the Participant's base service fee, other than a reduction that applies generally to all Non-Employee Directors or Consultants;

(ii) a material reduction in the Participant's authority, duties or responsibilities; or

(iii) failure or refusal of a successor to the Company to materially assume the Company's obligations under the Participant's service agreement, if applicable, in the event of a Change in Control;

**FOR IMMEDIATE RELEASE****Iterum Therapeutics plc Announces Result of Proposal 8 at Annual General Meeting**

DUBLIN, Ireland and CHICAGO, June 15, 2020 -- Iterum Therapeutics plc (Nasdaq: ITRM), a clinical-stage pharmaceutical company developing anti-infectives against multi-drug resistant pathogens, today announced results of its Annual General Meeting held on June 10, 2020 (the "AGM").

At the AGM, all resolutions proposed at the meeting were duly passed by poll.

Resolution No. 8 sought approval for the acquisition by investment funds managed and controlled by Sarissa Capital Management LP (together the **Sarissa Funds**) of up to 60% of the total issued ordinary share capital of the Company solely as a result of the potential future exchange of the 15,000 6.500% Exchangeable Senior Subordinated Notes due 2025 (the **Exchangeable Notes**) with an aggregate value of \$15,000,000 held by the Sarissa Funds (the **Sarissa Notes**) without the Sarissa Funds and/or Sarissa Capital Management LP becoming obligated to make an offer to the Company's shareholders pursuant to Rule 9 of the Irish Takeover Panel Act, 1997, Takeover Rules, 2013 (the **Rules**). The result of the poll on Resolution No. 8 was 6,808,330 votes for; and 199,749 votes against.

Accordingly, the Sarissa Funds could acquire up to 60% of the then total issued ordinary share capital of the Company on an exchange (assuming physical settlement) of the Sarissa Notes (which for illustrative purposes would be 26,761,114 ordinary shares based on the Company's issued ordinary share capital of 17,840,743 as at June 10, 2020) without incurring an obligation under Rule 9 of the Rules to make an offer to the Company's other shareholders.

Assuming (i) the Sarissa Funds exchange the Sarissa Notes in full at the earliest possible opportunity, being January 21, 2021, (ii) only the Sarissa Notes are exchanged and there are no exchanges by other holders of the Exchangeable Notes, (iii) the Company elects physical settlement with respect to such exchange and (iv) the exchange rate under the Exchangeable Notes is the initial exchange rate of 1,000 shares per \$1,000 of principal and interest, the Sarissa Notes would convert into 15,000,000 ordinary shares, being 45.7% of the issued share capital of the Company (based on the Company's issued ordinary share capital of 17,840,743 as at June 10, 2020 and not including certain excluded securities as described in the Company's Proxy Statement filed with the Securities and Exchange Commission on May 7, 2020, the warrants issued in connection with the Company's recent public offering of ordinary shares and concurrent private placement of warrants to purchase ordinary shares as previously disclosed in the Form 8-K filed with the Securities and Exchange Commission on June 4, 2020 and not taking into account any additional ordinary shares issuable to satisfy accrued and unpaid interest due upon exchange of the

Sarissa Notes) and the Sarissa Funds and/or Sarissa Capital Management LP would not become obligated under Rule 9 of the Rules to make a general offer to the Company's other shareholders.

The full text of Resolution No. 8 is set out in the Proxy Statement which is available at <https://ir.iterumtx.com/2020-annual-general-meeting>.
