Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On July 15, 2020, Iterum Therapeutics plc, or the Company, received a letter from the Listing Qualifications Department of The Nasdaq Stock Market, LLC, or Nasdaq, notifying the Company that the listing of its ordinary shares was not in compliance with Nasdaq Listing Rule 5450(b)(2)(A) (the “MVLS Rule”) for continued listing on the Nasdaq Global Market, as the market value of the Company’s listed securities was less than \$50.0 million for the previous 30 consecutive business days. Under Nasdaq Listing Rule 5810(c)(3)(C), the Company has a period of 180 calendar days, or until January 11, 2021, to regain compliance with the MVLS Rule. To regain compliance, during this 180-day compliance period, the Company’s market value of listed securities must close at \$50.0 million or more for a minimum of 10 consecutive business days. The notice has no present impact on the listing of the Company’s securities on the Nasdaq Global Market.

In the event that the Company does not regain compliance with the Nasdaq Listing Rules prior to the expiration of the 180-day compliance period, the Company will receive written notification from Nasdaq that the Company’s securities are subject to delisting. At that time, the Company may appeal the delisting determination to a hearings panel pursuant to the procedures set forth in the applicable Nasdaq Listing Rules. If the Company does not regain compliance within the 180-day compliance period, it may also transfer the listing of its ordinary shares to the Nasdaq Capital Market, provided that the Company then meets the applicable requirements for continued listing on the Nasdaq Capital Market.

The Company intends to actively monitor the market value of its listed securities and, as appropriate, will consider available options to resolve the deficiencies and regain compliance with the Nasdaq Listing Rules, including applying to transfer to the Nasdaq Capital Market.
